Re: Docket No. 26-05-10 – Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules

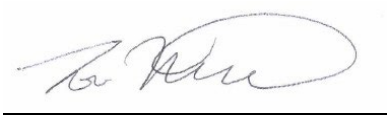

Dear Attorneys Pace, Crisp, and Bidra:

On May 20, 2026, The Connecticut Light and Power Company d/b/a Eversource Energy (Company) submitted a motion (Motion No. 2) to the Public Utilities Regulatory Authority (Authority), requesting that the Authority waive certain standard filing requirements (SFRs) and affirm that the Company may submit data required by certain SFRs on a calendar year basis. Specifically, the Company requests a waiver of SFRs B-2.3, B-2.4, B-2.5, C-2.1, C-2.2, and C-2.3 (collectively, SFRs Set 1) because the requested data does not exist for the Company as all of its retail allocation factors are 100%. Motion No. 2, pp. 1–2. In addition, the Company requests a waiver of SFRs B-10.0 and B-11.0 (jointly, SFRs Set 2) because it does not have capitalized conservation. Id., p. 2. Additionally, the Company requests a waiver of SFRs G-4.0, G-4.2, and G-4.4 (collectively, SFRs Set 3) because the Company does not currently own any generation. Id. Lastly, the Company requests affirmation that the Company may submit the data required by SFRs F-1.0, SFRs F-1.1, SFRs F-2.0, SFRs F-2.1, SFRs F-2.2, SFRs F-2.3, SFRs F-3.0, SFRs F-3.1, SFRs F-4.0, SFRs F-4.1, and SFRs F-5.0 (collectively, SFRs Set 4) on a calendar year basis reflecting the 12-month period ending December 31st. Id. Motion No. 2 is granted.

The Authority agrees that the SFRs in SFRs Set 1, SFRs Set 1, and SFRs Set 3 do not appear necessary for the present proceeding at this time; however, the Authority reserves the right to request information it deems applicable through the course of the proceeding. In addition, the Authority recognizes that certain SFRs in Schedule F require a company to submit the data on a "calendar year" basis, see, e.g., SFRs F-1.4, F-1.5, and F-1.7, whereas other SFRs in Schedule F are silent regarding for what period a

company should submit the data, see, e.g., SFRs F-1.1 and F-1.2. Accordingly, the Authority grants the Company's request for a waiver of the SFRs in SFRs Set 1, SFRs Set 2, and SFRs Set 3, and affirms that the Company may submit the data required by the SFRs in SFRs Set 4 on a calendar year basis.[1]
