Re: **Docket No. 26-05-10: Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend Its Rate Schedules**

Dear Secretary Gaudiosi:

I am writing on behalf of the New England Connectivity and Telecommunications Association, Inc. ("NECTA") to move the Public Utilities Regulatory Authority f(the "Authority") for a revision to the Procedural Order and Notice of Hearings issued today in connection with the above-referenced proceeding (the "Notice").

The Notice sets forth dates for various procedural phases, including the dates for prefiled testimony, rebuttal testimony, and surrebuttal testimony, largely adopting the schedule proposed by the applicant, Eversource Energy, the Office of Education Outreach and Enforcement, and the Office of Consumer Counsel (the Joint Movants"). In particular it sets December 9th as the date for surrebuttal testimony.

However, during the scheduling conference the undersigned asked if the Joint Movants would entertain a friendly amendment to their proposal to provide an additional two days, until December 11th, as the date for surrebuttal testimony. I have informed the Joint Movants that I intended to make the instant request and each indicated that they had no problem with the proposed revision.

Wherefore NECTA moves the Authority for a revision of the Procedural Order to set December 11th, 2026 as the date for surrebuttal testimony.

Thank you in advance for your anticipated consideration. Please do not hesitate to contact me should you have any questions regarding this request.

I certify that a copy hereof has been sent to all participants of record as reflected on the Authority's service list as of this date. A copy has also been filed with the Authority as an electronic web filing and is complete.

Very truly yours,

David W. Bogan
