Re: Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rates Schedules – **Additional Information in Support of Objections to Motion No. 113**

Dear Mr. Gaudiosi:

The Connecticut Light and Power Company d/b/a Eversource Energy ("Eversource" or the "Company") respectfully submits this filing consistent with a directive of the Public Utilities Regulatory Authority ("PURA") in correspondence dated November 3, 2026 ("November 3rd Correspondence"), for additional information in order to rule on Motion Nos. 084 and 099 filed by Allco Finance Limited Inc. ("Allco") in the above-referenced proceeding. Specifically, the directive required Eversource to submit "Table 1: Eversource Objections" with information for each interrogatory listed in Motion Nos. 084 and 099. The Company hereby provides a similar table in response to Allco's Motion No. 113, received by Eversource on November 13, 2026.[1]

Lastly, in response to PURA's November 3rd Correspondence attaching its Table 2, Allco stated that it wrote to Eversource's counsel in Allco's federal lawsuit, for which discovery is still stayed, in an effort to resolve the discovery disputes in the Company's rate case proceeding. Because Keegan Werlin is Eversource's counsel in this proceeding, any efforts to resolve discovery disputes in this proceeding should be discussed among Allco, Eversource, and Keegan Werlin. While Allco has not yet made similar contact with Eversource or Keegan Werlin on these disputes, Eversource is amenable to engaging in good faith discussions to resolve any disputes.

Very truly yours,

Daniel T. Crisp
