MOTION FOR EXTENSION OF TIME TO REPLY TO MOTION NO. 40 FROM ALLCO FINANCE LIMITED

The Connecticut Light and Power Company d/b/a Eversource Energy (the "Company") submits this Motion for a brief extension of time to file a reply to the Motion of Allco Finance Limited to Compel dated September 2, 2026 the was designated as Motion No. 040 in the above-captioned proceeding ("Motion No. 40"). Motion No. 40 requests that the Public Utilities Regulatory Authority ("PURA") either (1) order the Company to produce two documents that are protected by the attorney-client privilege and attorney work product doctrine or (2) in the alternative, order the Company to submit both reports to PURA for *in camera* review.

Motion No. 40 was filed at 1:35 p.m. on Wednesday, September 2; and it seeks the extraordinary remedy of disclosure of two documents protected by the attorney-client privilege and the attorney work product doctrine. Because the Company requires sufficient time to research and respond to Motion No. 40 and because only a few business days have elapsed since Motion No. 40 was filed due to the Labor Day holiday – the Company respectfully requests a brief extension until **Monday September 14, 2026** to provide a reply to Motion No. 40.

This request for a limited extension of time will not disrupt the orderliness of this proceeding; it will benefit PURA because it will provide the Company with sufficient, additional time to research and respond to Motion No. 40.
