Date Filed: August 14, 2026

Witness: Leanne M. Landry and John G. Griffin
Request from: Office of Education, Outreach, and Enforcement

Question:

(STORM REST TIME) Identify if the storm recovery balance includes any costs for external vendor rest time. If any amounts are included, identify the amount, vendor, storm event, invoice cite, and other relevant details.

Response:

The Company does not compensate contractors for rest time. All current contracts have been updated to remove any provisions that would allow rest time to be billed, and no agreement exists that supports rest time as a billable charge.
