		NOVEMBER 17, 2026

AFFIDAVIT OF CASANDRA DICKSON

Casandra Dickson, being duly sworn, states:

1. I am the Director of Regulatory Projects and Compliance for Eversource Energy Service Company ("ESC") for the Connecticut electric and gas utility companies, including the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P"). My business address is 247 Station Drive Westwood, MA 02090. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules, including information provided by the Company in response to an interrogatory issued by Connecticut Industrial Energy Consumers ("CIEC") on October 29, 2026 ("CIEC Set 9"). The confidential information addressed in this motion includes information provided by the Company in the following attachment to an interrogatory in CIEC Set 9:

Interrogatory Number	Attachment Name	Redacted Filing Date	Confidential Filing Date
CIEC-038	Attachment 1 CONFIDENTIAL	November 12, 2026	November 13, 2026

CIEC-038, Attachment 1 CONFIDENTIAL, was submitted to PURA via email on November 13, 2026. The last response to CIEC Set 9 was filed with PURA on November 16, 2026.

3. I submit this affidavit in support of a Motion for Protective Treatment by the Company, filed contemporaneously herewith, requesting a ruling from the Public Utilities Regulatory Authority ("PURA") that the Confidential Information be granted confidential treatment.

4. CIEC-038, Attachment 1 CONFIDENTIAL, contains confidential vendor pricing and contract term information relating to the Company's third-party vendors. Specifically, the attachment contains negotiated terms between the Company and a third-party vendor. The pricing and negotiated terms from third parties and consultants are confidential and proprietary, and public disclosure of this information would adversely impact the third parties and consultants in their pending and future negotiations to perform like services for other companies. The information on the terms and rates contained in this attachment include proprietary, competitive, and commercially sensitive information that is non-public information. Public disclosure of this information would cause substantial harm to the Company and its vendors. Negotiated contract terms, pricing, and unit cost terms obtained by the Company from vendors are provided with an expectation of privacy and must be protected from public disclosure to ensure competitive market pricing.

5. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

6. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes requires this confidential information to be filed in the public record.
