Re: Docket No. 26-05-10 – Application of CL&P d/b/a Eversource Energy to Amend its Rate Schedules

Dear Attorneys Pace, Crisp, Bidra, and Tisler:

On July 14, 2026, The Connecticut Light and Power Company d/b/a Eversource Energy (Company) submitted a motion (Motion No. 9) to the Public Utilities Regulatory Authority (Authority or PURA), requesting that the Authority approve a "reasonable timeframe" to comply with the Authority's July 10, 2026 Procedural Order Regarding Protected Materials (Procedural Order), which prohibits the submission of bulk filings confidentially without a redacted version submitted publicly. Motion No. 9, p. 1; Procedural Order, p. 2. Specifically, the Company requested that the Authority approve the Company's proposed schedule (Proposed Redaction Schedule) for submission of the redacted versions of the Company's confidential bulk filings. Motion No. 9, p. 4. On July 15, 2026, the Office of Consumer Counsel (OCC) and PURA's Office of Education, Outreach, and Enforcement (EOE) jointly submitted a comment on Motion No. 9. Subsequently, the Authority issued a ruling on Motion No. 9 declining to approve the Proposed Redaction Schedule and stating it would establish a filing deadline for the redacted versions of the Company's confidential bulk filings after hearing from the Company, non-Company parties, and intervenors at the scheduling conference. Motion No. 9 Ruling, July 28, 2026, p. 2.

On August 11, 2026, the Authority held a scheduling conference. At the scheduling conference, the Company reported that it had completed the redactions for Exhibits CLP-ENV-3(A) and Ex. CLP-REVREQ-4(A) of the Company's July 14, 2026 application to amend its rate schedules (Application) and would publicly submit the redacted version of those exhibits shortly. Sch. Conf. Tr., Aug. 11, 2026, 33:3–20. The Company stated it required two to three more weeks to complete the redactions for Exhibit CLP-ACCT-2(A) of the Application and until mid-September to complete the redactions for Exhibit CLP-ADDITIONS-6. Tr., 34:7–35:13. In response, OCC stated that they are making their "best

guess" and "doing [their] best" regarding which information in these exhibits is confidential when issuing interrogatories. Tr., 82:20–83:2, 83:15–18.

The Authority finds the Company's revised deadlines for submitting redacted versions of Exhibits CLP-ENV-3(A), CLP-REVREQ-4(A) CLP-ACCT-2(A), and CLP-ADDITIONS-6 reasonable. Accordingly, Motion No. 9, as revised by the Company at the scheduling conference, is granted.[1] As a reminder, the Authority's regulations provide that "[a]fter the first thirty (30) days following the date on which the rate application is filed the applicant may not amend or revise the level of rates shown therein except upon the granting of permission to amend by the commissioners upon motion by the applicant," and that "the public service company's direct case shall be limited substantially to the statement of application and the exhibits and materials annexed thereto unless the commissioners or the presiding officer shall rule otherwise for good cause shown." Conn. Agencies Regs. §§ 16-1-58; 16-1-41. The Company filed unredacted copies of Exhibits CLP-ENV-3(A), CLP-REVREQ-4(A) CLP-ACCT-2(A), and CLP-ADDITIONS-6 as annexed materials to the Application; therefore, the Company is not required to file a motion or showing of good cause for these particular filings.

By the following commissioner,

Thomas H. Wiehl
Chairman
