Re: Docket No. 26-05-10 – Application of the Connecticut Light and Power Company d/b/a Eversource Energy to Amend Its Rate Schedules – Third Supplemental Additions Filing

Dear Mr. Gaudiosi:

On behalf of the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company"), enclosed for filing in the above-referenced proceeding is the Company's Exhibit CLP-ADDITIONS-4 Third Supplemental and Exhibit CLP-ADDITIONS-6 Third Supplemental ("Third Supplemental Additions"). The Third Supplemental Additions present the final project documentation and actual costs through September 30, 2026, including the project cover sheet, the project closing report showing a table of the actual charges booked to the job, the Project Authorization Form ("PAF") and Supplemental Authorization Form, as applicable to the project, along with a copy of the approval screen showing that the project was authorized consistent with the relevant PAF and Delegation of Authority. The Company is also providing an update to planned capital provided within Exhibit CLP-ADDITIONS-4 Third Supplemental for 2026 Projected Capital Spend, including project numbers, costs, and project descriptions.

Please note that the Company is submitting the project documentation on a confidential basis as it contains critical energy infrastructure information. Further, the Company is filing a Motion for Protective Treatment under separate cover and plans to submit redacted versions pursuant to that motion.

Also, the Company is filing these materials through PURA's web filing system under a category labeled "Supplement for New App," consistent with directions from PURA's Docket Control. Pursuant to PURA's Procedural Order Regarding Submission of Filings, dated July 10, 2026, the Company is required to coordinate with PURA's Docket Control staff and comply with any formatting or filing instructions for bulk materials that Docket Control staff may have, which the Company appreciates.

Please contact me if there are any questions with respect to this filing.

Very truly yours,

Sarah A. Pardee
