Date Filed: September 14, 2026

Witness: Warren R. Boutin, Leanne M. Landry and Jeffrey D. Turano
Request from: ALLCO

Question:

Provide an aging schedule of all unpaid interconnection-cost refunds owed to interconnection customers as of the most recent date available, showing for each: the project, the date the refund obligation was determined, the amount, and the reason payment has not been made; and describe the Company′s policy, procedure, and standard timeline for paying such refunds.

Response:

CL&P objects to this request on the ground that it is an improper effort by Allco to use this rate case proceeding to obtain discovery for purposes of a lawsuit that it filed against the Company on August 10, 2026, in the United States District Court for the District of Connecticut (Civil Action No. 3:26-cv-1277), outside of and in contravention of the rules of procedure that govern discovery in that lawsuit.

Without waiving said objection, the standard timeline for paying interconnection-cost refunds is set forth in Section 5.3.2 of the PURA-approved form of Interconnection Agreement.
