Date Filed: September 02, 2026

Witness: Christopher E. Colorio and Mark P. Baldwin
Request from: Office of Consumer Counsel

Question:

(STORM STAFFING) Please provide an unlocked Excel spreadsheet showing for storms from 2020 to the present: each storm, the event level, the number of outage events, the number of customer outages, the number of external line crews retained for the event, the number of internal line crews working on the event, the maximum number of line crews the Event Level Matrix indicates for that level storm, the total cost, and the average restoration time per customer.

Supplemental Response:

Please refer to OCC-124-SP01, Attachment 1. As part of the Company's continued compilation and verification of the requested information, the attachment has been updated to reflect corrected crew counts and additional storm data identified during that review.

Original Response:

Please refer to OCC-124, Attachment 1, for the requested information. The Company is continuing to compile and verify information. The Company will supplement this response once that process is complete.
