MOTION OF CONNECTICUT LIGHT AND POWER COMPANY D/B/A EVERSOURCE ENERGY FOR PROTECTIVE TREATMENT OF CONFIDENTIAL INFORMATION

The Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P") hereby moves that the Public Utilities Regulatory Authority ("PURA") grant protective treatment as described in this motion to ensure that certain confidential information provided by the Company in the above-referenced proceeding is not subject to public disclosure. As outlined below, certain information provided by the Company in response to interrogatories issued by PURA on August 7, 2026 ("PURA Set 1") and Allco Finance Limited ("ALLCO") on September 16, 2026 ("ALLCO Set 8") contain employee names and contact information, which the Company does not disclose publicly.

In support of this motion, the Company states as follows:

1. The confidential information addressed in this motion includes information provided by the Company in the following attachments to interrogatories in PURA Set 1 and ALLCO Set 8:

Interrogatory Number	Attachment Name	Redacted Filing Date	Confidential Filing Date
ALLCO-081	Attachment 2 CONFIDENTIAL	October 1, 2026	October 1, 2026
UPA-001-SP01	Attachment 1 CONFIDENTIAL through Attachment 13 CONFIDENTIAL	October 6, 2026	October 7, 2026

Together, these documents are referred to herein as the "Confidential Information." The Confidential Information was submitted to PURA via email on October 1, 2026 and October 6, 2026. The last response to PURA Set 1 was filed with PURA on October 6, 2026. The last response to ALLCO Set 8 was filed with PURA on October 8, 2026.

Employee Names

2. ALLCO-081, Attachment 2 CONFIDENTIAL, and UPA-001-SP01, Attachment 1 CONFIDENTIAL through Attachment 13 CONFIDENTIAL, contain names and contact information for individual Eversource employees. Employee names and contact information should be protected from public disclosure. If the Company makes employee information public, there are both cybersecurity and physical security risks to individual Eversource employees. Making employee information public triggers an increased risk in phishing attacks as there is more information available about Eversource employees, centralized and publicly available. Additionally, there is a risk of personal harassment for individual employees.

3. This information is protected from public disclosure pursuant to Item 6(f) of PURA's Revised Procedural Order and Conn. Gen. Stat. § 1-210(b)(2) as the public disclosure would constitute an invasion of personal privacy. The public disclosure of the employee information may also result in a safety risk or a security risk to information technology systems, and therefore should be exempt from public disclosure under Conn. Gen. Stat. §§ 1-210(b)(19) and (20). PURA has protected employee names and contact information from public disclosure in

this docket. See, Docket No. 26-05-10, Aug. 3, 2026 Ruling on Motion No. 10 at 5-6, and Docket No. 26-05-10, Sept. 10, 2026 Ruling on Motion No. 32.

4. PURA has previously protected employee names from public disclosure pursuant to Conn. Gen. Stat. § 1-210(b)(5)(B) ("Commercial or financial information given in confidence, not required by statute.") In Docket No. 24-01-03, PURA Annual Review of the Rate Adjustment Mechanisms of The Connecticut Light and Power Company, PURA approved CL&P's motion for reconsideration for protection of Eversource employee names and contact information pursuant to Section 1-210(b)(5)(B). Docket No. 24-01-03 (July 16, 2024 Ruling on Motion No. 28 at 2); see also Docket No. 21-08-24, Petition of William Tong, Attorney General for the State of Connecticut, and the Office of Consumer Counsel for an Investigation into Eversource Energy Regarding Gas Expansion Marketing (Oct. 25, 2021 Ruling to Motion No. 7) (protecting employee names, addresses, and telephone numbers).

5. The Confidential Information is maintained by the Company as confidential and has not been disclosed or released to the public.

6. The Confidential Information is exempt from disclosure under Conn. Gen. Stat. §1-210(b) and Conn. Gen. Stat. §§ 1-210(b)(5)(B), (b)(19), and (b)(20), as described herein.

7. Additionally, pursuant to the Revised Procedural Order, the Confidential Information is the type of information that is typically subject to protected treatment, specifically employee names.

8. In this case, the necessity of withholding public disclosure of the Confidential Information outweighs the public interest in such disclosure.

9. Attached in support of this motion as Attachment A, is the Affidavit of Casandra Dickson, Director of Regulatory Projects and Compliance for Eversource Energy Service

Company. The affidavit addresses the need for protective treatment of the Confidential Information described in this motion.

10. For the foregoing reasons, CL&P respectfully requests that PURA grant this motion for protective order.

RESPECTFULLY SUBMITTED,

THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY
