Re: Docket No. 26-05-10 – Application of CL&P d/b/a Eversource Energy to Amend its Rate Schedules

Dear Attorneys Pace, Crisp, Bidra, and Pardee:

On October 6, 2026, The Connecticut Light and Power Company d/b/a Eversource Energy (Company) submitted a motion (Motion No. 78) to the Public Utilities Regulatory Authority (Authority or PURA) requesting an extension of time from October 9, 2026, to October 14, 2026, for the Company to submit its response to Interrogatories RSR-015 and 016, RRU-044, 045, 046, 047, 049, 050, 051, 053, 054, 055, 056, 057, 058, 059, 061, 063, 073, 075, 076, 079, 080, and 086 (PURA Interrogatories), and an extension of time from October 9,2026 to October 16, 2026 for the Company to submit its response to Interrogatories OCC-887 (OCC Interrogatory), and EOE-333, 334, 335, 336, 337, 338, 339, 340, 357, 358, 359, 366, 367, 368, 369, 370, 371, 372, 373, 374, and 375 (EOE Interrogatories) (collectively, Outstanding Interrogatories). The Company seeks an extension because the Outstanding Interrogatories requires "in-depth research, data extraction, analysis and review, and input from subject matter experts and numerous individuals from various parts of the organization . . . ." Motion No. 78, p. 3.

The Company conferred with the Office of Consumer Counsel (OCC), and OCC does not consent to the extension due to the forthcoming October 21, 2026 pre-filed testimony deadline. Id., p. 4. The Company states it will endeavor to provide a timely response to Interrogatory OCC-887. Id. The Company also conferred with the Authority's Office of Education, Outreach, and Enforcement (EOE); however, EOE's attorney was not available to respond to the Company's proposed extension request. Id.

The Authority grants Motion No. 78, with modification.[1] All Outstanding Interrogatories are now due on October 14, 2026. Specifically, in light of the upcoming pre-filed testimony deadline and OCC's withholding of consent to the extension, the Company's response to Interrogatory OCC-887 is now due on or before **Wednesday, October 14, 2026, at 4:00 p.m**. The Company's responses to the PURA Interrogatories and EOE Interrogatories are also due on **Wednesday, October 14, 2026, at 4:00 p.m.** To the extent the Company completes its response to any of the subparts of the Outstanding Interrogatory in advance of the new due date, the Authority requests that the Company submit those completed subparts.

By the following commissioner,

Thomas H. Wiehl
Chairman
