Eversource Reminds Customers Help is Available with Energy Bills

JAN 12, 2026 BILL HELP ASSISTANCE PAYMENT PROGRAMS

Energy company hosting in-person events to provide information on assistance programs and payment plans

BERLIN, Conn. (Jan. 12, 2026) – With the start of a new year, Eversource is reminding customers of the various options available to help them manage their energy bills with financial assistance, flexible payment plans and energy efficiency programs. **The company is hosting several free in-person events for residential customers on January 14th, 20th and 22nd. Advanced registration is required at** eversource.com/billhelp **and customers should bring their energy bills and proof of income or benefits, e.g., pay stubs, budget sheets, or assistance letters.** Eversource customer care representatives will provide details on programs to reduce unpaid balances with affordable monthly payments, protection from service disconnection, extended payment plans and energy efficiency programs available to help lower monthly energy bills. Payment plan enrollment and participation prevents
