APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES	:	**DOCKET NO. 26-05-10**
		OCTOBER 14, 2026

AFFIDAVIT OF CASANDRA DICKSON

Casandra Dickson, being duly sworn, states:

1. I am the Director of Regulatory Projects and Compliance for Eversource Energy Service Company ("ESC") for the Connecticut electric and gas utility companies, including the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P"). My business address is 247 Station Drive Westwood, MA 02090. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules, including information provided by the Company in response to certain interrogatories issued by the Office of Consumer Counsel (the "OCC") on September 21, 2026 ("OCC Set 19") and on September 22, 2026 ("OCC Set 20"). The confidential information addressed in this motion includes information provided by the Company in the following attachments to interrogatories in OCC Set 19 and OCC Set 20:

Interrogatory Number	Attachment Name	Redacted Filing Date	Confidential Filing Date
OCC-753	Attachment 3 CONFIDENTIAL	October 5, 2026	October 5, 2026
OCC-767	Attachment 1 CONFIDENTIAL	October 5, 2026	October 5, 2026
OCC-780	Attachment 2 CONFIDENTIAL	October 5, 2026	October 5, 2026
OCC-792	Attachment 1 CONFIDENTIAL through Attachment 5 CONFIDENTIAL	October 5, 2026	October 5, 2026
OCC-813	Attachment 1 CONFIDENTIAL	October 5, 2026	October 5, 2026
OCC-823	Attachment 1 CONFIDENTIAL	October 6, 2026	October 7, 2026

Together, these documents are referred to herein as the "Confidential Information". The Confidential Information was submitted to PURA via email on October 5, 2026 and October 7, 2026. The last response to OCC Set 19 was filed with PURA on October 13, 2026, and the last response to OCC Set 20 was filed with PURA on October 14, 2026.

3. I submit this affidavit in support of a Motion for Protective Treatment by the Company, filed contemporaneously herewith, requesting a ruling from the Public Utilities Regulatory Authority ("PURA") that the Confidential Information be granted confidential treatment.

4. OCC-753, Attachment 3 CONFIDENTIAL, OCC-780, Attachment 2 CONFIDENTIAL, and OCC-823, Attachment 1 CONFIDENTIAL, contain names and contact information for individual Eversource employees. Employee names and contact information should be protected from public disclosure. If the Company makes employee information public, there are both cybersecurity and physical security risks to individual Eversource employees. Making employee information public triggers an increased risk in phishing attacks as there is more

information available about Eversource employees, centralized and publicly available. Additionally, there is a risk of personal harassment for individual employees.

5. OCC-767, Attachment 1 CONFIDENTIAL includes information on the Company's cybersecurity policies, including incident response procedures. OCC-767, Attachment 1 CONFIDENTIAL, contains commercially sensitive and non-public business information, including information describing the Company's specific cybersecurity measures that the Company does not disclose to the public. Disclosure of the Company's cybersecurity measures would reveal information about the Company's cybersecurity systems to the general public, which would provide bad actors with a means to potentially disrupt and impact the Company's systems and the safe and reliable service throughout the state of Connecticut. In order to protect the Company's cybersecurity systems from such an event, OCC-767, Attachment 1 CONFIDENTIAL, should not be disclosed publicly.

6. OCC-823, Attachment 1 CONFIDENTIAL, contains confidential negotiated insurance coverages, sub-limits, and retentions that are negotiated between the Company and its insurance contract counterparties. The pricing and negotiated terms from third parties are confidential and proprietary, and public disclosure of this data would adversely impact the third parties in their pending and future negotiations to perform like services for other companies. The information on terms, fees, and rates contained in these attachments include proprietary, competitive, and commercially sensitive information that is non-public information. Public disclosure of this information would cause substantial harm to the Company and its vendors. Negotiated contract terms, pricing, and unit cost terms obtained by the Company from vendors are provided with an expectation of privacy and must be protected from public disclosure to ensure competitive market pricing.

7. The Confidential Information provided in OCC-792, Attachment 1 CONFIDENTIAL through Attachment 5 CONFIDENTIAL, and OCC-813, Attachment 1 CONFIDENTIAL, includes circuit identifiers and descriptions, asset names, asset locations, and identified risks. If disclosed, this information would create a system security risk and provide bad actors with detailed information relating to the Company's infrastructure and jeopardize operation of the Company's systems.

8. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

9. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes requires this confidential information to be filed in the public record.
