RE:	**APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES**	**:**	**DOCKET NO. 26-05-10**
		:	**NOVEMBER 6, 2026**

THE OFFICE OF CONSUMER COUNSEL'S THIRTY-THIRD SET OF INTERROGATORIES

The Office of Consumer Counsel ("OCC") hereby requests responses from the Connecticut Light and Power Company d/b/a Eversource Energy to the following interrogatories in the above-captioned proceeding by **November 20, 2026**. If there are objections to any questions, or if providing responses to certain questions would be unduly burdensome, please contact the undersigned counsel as soon as possible.

I. INSTRUCTIONS

The responses to these interrogatories and production requests must be submitted in the following manner:

A. Documents provided shall be complete and, unless privileged, unredacted, submitted as found in the responding party's files (e.g., documents that in their original condition were stapled, clipped or otherwise fastened together or maintained in separate file folders shall be produced in such form). The responding party may submit photocopies (with color photocopies where necessary to accurately reproduce the document), in lieu of original documents, provided that such copies are true, correct and complete copies of the original documents.

B. Documents submitted shall be produced in the order in which they appear in the responding party's files and shall not be shuffled or otherwise rearranged. Mark each page with identification and consecutive document control numbers.

C. Data must be produced in the data format in which it is typically used and maintained. Moreover, to the extent a responsive document has been electronically scanned (for any purpose), that document must be produced in a readable and accessible electronic format, with the opportunity provided to review the original document.

D. Provide English translations of all responsive documents that exist in a language other than English.

E. Documents to be produced include all documents in the possession, custody or control of the responding party, wherever located, including documents in the possession, custody or

control of the responding party's directors, officers, employees, representatives or agents. Without limitation on the term "control," a document is deemed to be in a responding party's control if it has the right to secure that document or a copy thereof from another person.

CLAIMS OF PRIVILEGE

If you contend that any answer to any interrogatory or any document demanded by these interrogatories is privileged in whole or in part, file with your response to these Interrogatories a statement in writing and under oath and in such statement: (1) identify each such interrogatory answer or document; (2) state its general subject matter; and (3) state in detail the basis for each claim of privilege made with respect to it. If a claim of privilege is made to only a part of a document, then in addition to the statement required herein, produce a public copy of such document from which the alleged privileged portion has been redacted, noting where in the document such redactions have been made.

SCOPE

If subsequent to your initial compliance with these interrogatories and production request you discover additional or new material or information responsive to any interrogatory or request for production, or you discover that any response you provide herein was totally or partially incorrect or, though correction was made, is no longer true, you must promptly (a) file any additional responsive documents that come into your possession, custody or control or (b) file supplemented, corrected, and sworn responses. You are specifically directed to supplement, modify or correct your responses to each of these interrogatories and production throughout until a final decision in adopted by the Authority in this Docket.

II. INTERROGATORIES

Interrogatories OCC-1022 through OCC-1038 are directed to the Connecticut Light & Power Company d/b/a Eversource Energy ("Eversource" or "Company"):

OCC-1022. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-779 request. Provide, for each year 2017–2024 when CL&P Distribution spending exceeded the Capital Book plan, the document that approved the extra spending (title, date, approver, amount). If none exists, please state so.

OCC-1023. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-780 request. The listed added projects total about $67.7 million. Kindly reconcile the full $91.5 million 2023 overrun by driver, in dollars.

OCC-1024. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-782 Attachment 1. For each 2022 emergent work order of $100,000 or more, please

give the failure cause and state whether the asset had an open inspection deficiency before it failed. If this is not recorded, kindly say so.

OCC-1025. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-781 Attachment 2. Please state, for each deferred 2025 project, whether it is now in the 2026 interim additions, the 2027 forecast, the Rate Year or the TSP, or otherwise, and the amount in each.

OCC-1026. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-794 request. Please provide the promised supplement for annual programs with variances above 25 percent.

OCC-1027. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-802 request. For each resiliency program, please give actual in-service cost, units installed and unit cost by year, 2018–2025, and any benefit measured after completion. If no benefit was measured, kindly state so.

OCC-1028. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-803, OCC-804. Please state whether any document at the time of authorization stated the expected reliability benefit of the 2021–2025 reliability capital. If yes, kindly provide it, along with any benefit-cost-analysis (BCA) performed.

OCC-1029. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-805, Att. 1; CLP-ADDITIONS-12 at 145. Please: (a) identify the six 2023 and three 2024 large substation capacity projects; (b) give each station's LCC rating before and after the project; (c) explain the BESS entries in column H (evaluated, selected, or part of project cost); (d) provide the Greenwich 28F forecast; and (e) units of the provided forecasts for each site.

OCC-1030. (CAPITAL ADDITIONS) Please refer to CLP-ADDITIONS-4 and Company's response to OCC-784, Att. 1. Kindly identify the PURA order that allows the Company to capitalize tree trimming, and tree work after 2020, and state the unit of property this work creates. If there is no order, please say so.

a. Please state the rule used to charge vegetation work to capital rather than O&M, and confirm that no capitalized tree cost is in test year O&M or in a storm cost request.

OCC-1031. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-781 and OCC-798. Please provide any analysis, at any time from 2019 to 2025, that

compared direct-buried cable replacement with repair, and the cost per mile each year split into labor, contractor, material and restoration.

OCC-1032. (CAPITAL ADDITIONS) Please refer to Company's response to OCC-804 at 2. For circuits with Right of Way, Pole Integrity, Smart Switch or Enhanced Tree Removal work, please provide: For each of the three years before and three years after completion, the number of outage events, total customer interruptions (CI), and total customer minutes of interruption (CMI) occurring on major-event days.

OCC-1033. (CAPITAL ADDITIONS) Please refer to CLP-ADDITIONS-1 at 51–54.

a. Please list each project of $1 million or more forecast in service through June 30, 2028, with cost, in-service date and authorization status, and state which TSP tier the 2027 and 2028 forecasts assume.
b. Please provide actual plan additions by month, January 2026 to date, by category, against monthly forecast.

OCC-1034. (STORM - EXTERNAL VENDORS) Please refer to the Response to EOE-176.

a. Please confirm that the contractual provision cited allows the vendor to charge for mobilization/demobilization time *in addition to* 2 hours pre- and 2 hours post-mobilization/demobilization.
b. Under what category on the timesheet is the 4 hours pre- and/or post-mobilization/demobilization noted (e.g., travel, standby, or work)?
c. Does the Company track how much invoiced time is pre- and post-mobilization/demobilization time? If yes, please provide a breakdown for all pre- and post demobilization time in the 2024 and 2025 storms in this docket.

OCC-1035. (MS24E) Please refer to the Response to EOE-178, which confirms that two chain saws are included in the rates of tree crews.

a. Please indicate if the chain saws indicated in Exhibit ACCT-2 (CLP-5A-3)(MS24E), p. 47, 53, 56, 118, and 124 are included in the requested recovery. If they are included, please explain.
b. Please indicate if the chain saws referenced in Exhibit ACCT-2 (CLP-5A-4)(MS24E), p. 41, 44, and 48 are included in the requested recovery. If they are included, please explain.
c. Please indicate if the chain saws referenced in Exhibit ACCT-2 (CLP-5A-5)(MS24E), p. 24, 48, 80, 84, and 87 are included in the requested recovery. If they are included, please explain.

OCC-1036. (MUTUAL AID) Please refer to the Response to EOE-186, Attachment 1, requesting dates relative to EOE-38, Attachment 2. The interrogatory requested the dates of all mutual aid from 2024 through 2026, but the attachment appears to have

only dates in 2026 (OCC interprets the transaction date as year (always 2026), followed by month, then day). Please explain or provide the dates in which the mutual aid was performed in 2024 and 2025.

OCC-1037. (ARBORISTS) For each year from 2024-the present, how many arborists does the Company employ (i.e., not vendors, but Company employees)?

OCC-1038. (MS24A-VENDOR-TREE) Do Eversource employee timesheets note tasks performed for the day? If yes, please provide the timesheets for January 9 and 10, 2024, for the "Company Arborist [who] reviewed and approved the vendor timesheet as a result of their direct supervision and knowledge of the tree crews working each shift during the restoration process" as explained in the Response to EOE-203.

Respectfully submitted,
