Question:

(MS24F-P-CARDS) Refer to Response to EOE-327 and Exhibit ACCT-2 CLP-6 (P-Card tab). Referring to selection 'd' and the corresponding Att. 5, explain how the invoices provided support the $500 incremental charge identified. Specifically, it appears that both the subtotal of the invoices provided do not total the $500 incremental amount and the 4th invoice (i.e., EOE-327, Att.5, p. 4) was for April 2, 2024, prior to the MS24F event.

Response:

Referring to Response to EOE-327[i] and Exhibit ACCT-2 CLP-6 (P-Card tab), please refer to EOE-426, Attachment 1, for details regarding receipts totaling amount of $500 provided in EOE-327, Attachment 5. Upon preparing this response, the Company determined that the invoice in total amount of $141.63, referenced in EOE-327, Attachment 5, at page 4, was initially determined to be associated with the storm event. Upon further review, the Company has identified that the invoice was associated with a different work order and is not a storm-related charge.

The Company will supplement Exhibit ACCT-2 (CLP-06) (MS24F), P-card Tab, Line 194 to remove this charge and reflect the amount of $358.
