Re: Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules

Dear Secretary Gaudiosi:

The Connecticut Light and Power Company d/b/a Eversource Energy ("CL&P" or the "Company") respectfully submits this Response to Allco Finance Limited's ("ALLCO") Motion to Compel, filed with the Public Utilities Regulatory Authority ("PURA") on September 22, 2026 and docketed as Motion No. 62. ALLCO requests that PURA compel CL&P to provide it with access to materials for which the Company has sought or received protective treatment in this docket (Motion No. 62, at 1). ALLCO further states that it sent CL&P an executed protective agreement on September 9, 2026, and requested notification if CL&P declines access to any documents (id.).

The Company respectfully submits that the Motion to Compel is premature and should be denied without prejudice.

As noted above, ALLCO seeks an order compelling CL&P to produce documents for which the Company has sought confidential treatment. The Company does not, however, contend that ALLCO is categorically precluded from obtaining access to those documents. Rather, the parties must work in good faith to establish appropriate protections regarding the use and disclosure of confidential materials. Today, the Company provided ALLCO with CL&P's proposed Non-Disclosure Agreement ("NDA") for ALLCO's consideration. Accordingly, the parties have not yet reached agreement on the terms of an NDA.

The present issue is simply that the parties have not yet finalized the confidentiality protections that will govern ALLCO's access to documents for which confidential treatment has been sought. Accordingly, the appropriate course is to allow the parties a reasonable opportunity to complete their ongoing NDA discussions. The Company remains willing to work cooperatively and expeditiously with ALLCO toward an agreed NDA and, once appropriate confidentiality protections are in place, to address the requested documents in accordance with those protections.

The Company appreciates the opportunity to clarify its position and remains committed to resolving this issue cooperatively.

Respectfully submitted,

Vincent P. Pace
