Hello,

I am writing to file a comment regarding the proposed Eversource rate hike.

I oppose this rate hike. My salary has not kept up with the rate of inflation since 2018 or so. My property taxes consumer one dollar out of every seven that I take home. I ask the legislator to consider the rising cost of living in this state and reject this rate hike. I have had to tighten my belt considerable. Maybe Eversource needs to tighten theirs, too.

My thanks,

Ben G.
