MOTION OF CONNECTICUT LIGHT AND POWER COMPANY D/B/A EVERSOURCE ENERGY FOR PROTECTIVE TREATMENT OF CONFIDENTIAL INFORMATION

The Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P") hereby moves that the Public Utilities Regulatory Authority ("PURA") grant protective treatment as described in this motion to ensure that certain confidential information provided by the Company in the above-referenced proceeding is not subject to public disclosure. As outlined below, certain information provided by the Company in response to interrogatories issued by the Office of Consumer Counsel the ("OCC") on September 2, 2026 ("OCC Set 13") contains employee and vendor names and contact information, which the Company does not disclose publicly.

In support of this motion, the Company states as follows:

1. The confidential information addressed in this motion includes information provided by the Company in the following attachments to interrogatories to OCC Set 13:

Interrogatory Number	Attachment Name	Redacted Filing Date	Confidential Filing Date
OCC-547	Attachment 1 CONFIDENTIAL* through Attachment 6 CONFIDENTIAL	N/A – Filed as Confidential only**	September 16, 2026
OCC-554	Attachment 1 CONFIDENTIAL Attachment 2 CONFIDENTIAL	September 16, 2026	September 16, 2026

* OCC-547, Attachment 1 CONFIDENTIAL, is provided in two parts (1-1 and 1-2) due to file size.

** OCC-547, Attachment 1 CONFIDENTIAL through OCC-547, Attachment 6 CONFIDENTIAL, are being provided as confidential-only for the time being, but the Company anticipates undertaking a significant bulk redaction project to provide these attachments into the public record. These attachments contain approximately 2,000 or more pages that must be manually redacted to provide public-facing versions.

Together, these documents are referred to herein as the "Confidential Information." The Confidential Information was submitted to PURA via email on September 16, 2026. The last item responsive to OCC Set 13 was filed with PURA on September 16, 2026.

Employee and Vendor Names and Contact Information

2. OCC-547, Attachment 1 CONFIDENTIAL through OCC-547, Attachment 6 CONFIDENTIAL, and OCC-554 Attachments 1 and 2 CONFIDENTIAL, contain names and contact information of individual Eversource employees, and vendor employees. PURA has previously protected employee names and contact information from public disclosure. In Docket No. 24-01-03, PURA Annual Review of the Rate Adjustment Mechanisms of The Connecticut Light and Power Company, PURA approved CL&P's motion for reconsideration for protection to Eversource employee names and contact information ("Docket No. 24-01-03 Motion No. 28 Ruling"). CL&P articulated the increased security risks triggered by making employee contact information publicly available. See Docket No. 24-01-03, Motion No. 28 Ruling, at 2. PURA found that the Eversource email addresses, phone numbers, and non-public addresses of certain Eversource employees were exempt from public disclosure as information that constitutes

commercial or financial information given in confidence and not required by statute. See id.; Conn. Gen. Stat. § 1-210(b)(5)(B). PURA has also previously protected employee names and contact information from public disclosure in other instances. See, e.g., Docket No. 26-05-10, Application of Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules (August 2, 2026 Ruling to Motion No. 10) (protecting employee names and contact information); Docket No. 24-03-01, Annual Review of the System Expansion Reconciliation Mechanisms (July 22, 2024 Ruling to Motion No. 4) (protecting employee contact information); Docket No. 21-08-24, Petition of William Tong, Attorney General for the State of Connecticut, and the Office of Consumer Counsel for an Investigation into Eversource Energy Regarding Gas Expansion Marketing (October 25, 2021 Ruling to Motion No. 7) (protecting employee names, addresses, and telephone numbers).

3. Employee names and contact information should be protected from public disclosure. If the Company makes employee information public, there are both cybersecurity and physical security risks to individual employees. Making employee information public triggers an increased risk in phishing attacks as there is more information available about Eversource employees, centralized and publicly available. Additionally, there is a risk of personal harassment for individual employees. Accordingly, this information should be protected from public disclosure pursuant to Conn. Gen. Stat. § 1-210(b)(2) as the public disclosure would constitute an invasion of personal privacy. The public disclosure of the employee information may also result in a safety risk or a security risk to information technology systems, and therefore should be exempt from public disclosure under Conn. Gen. Stat. §§ 1-210(b)(19) and (20).

4. The Confidential Information is maintained by the Company as confidential and has not been disclosed or released to the public.

5. The Confidential Information is exempt from disclosure under Conn. Gen. Stat. §1-210(b), as described herein.

6. Additionally, pursuant to PURA's July 10, 2026 Procedural Order Regarding Protected Materials in this docket, the Confidential Information is the type of information that is typically subject to protected treatment, including employee names and email addresses.

7. In this case, the necessity of withholding public disclosure of the Confidential Information outweighs the public interest in such disclosure.

8. Attached in support of this motion as Attachment A, is the Affidavit of Casandra Dickson, Director of Regulatory Projects and Compliance for Eversource Energy Service Company. The affidavit addresses the need for protective treatment of the Confidential Information described in this motion.

9. For the foregoing reasons, CL&P respectfully requests that PURA grant this motion for protective order.

RESPECTFULLY SUBMITTED,

THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY
