13 DIBBLE ST, DANBURY, CT Work Order # 24348805

Dear AT&T Mobility

Eversource has reviewed application **# 1906851** and determined this location will require reimbursable make ready work at the above referenced address prior to releasing the license. The make ready billable Work Order number is # **24348805**.

The estimated cost of the job is **$10,925.55** which includes the billable time and material charges necessary to complete the job. Eversource will do a "true up" of the charges once the job is complete. If the cost exceeds the total amount received, Eversource will bill you for the difference and if it goes under the estimated cost, Eversource will reimburse you for the difference.

To enable Eversource to schedule work, please submit the following:

- Check for the full payment amount.
- Abutters Notification Letter if applicable.
- Coupon attached to the bottom portion of this letter.

Receipt of these documentations allows Eversource to perform the necessary make ready work associated with the above application number and acknowledges your agreement with the terms and conditions stated in this letter.

As always, should you have any outstanding questions please feel free to contact me directly.

Sincerely,
Single Pole Administration
