Dear Executive Secretary:

In compliance with Conn. Gen. Stat. §16-245a, 16-243q, and pursuant to the above-referenced proceeding, First Point Power, LLC ("FPP") respectfully files its Renewable Energy Portfolio Standard Report for the 2025 compliance year. Included in our submission are:

1. 2025 RPS Exhibit A - First Point Power, LLC
2. 2025 RPS Exhibits B, C & D – First Point Power, LLC
3. NEPOOL Certificates Disposition 2025 – First Point Power, LLC
4. RPS Security Affidavit – First Point Power, LLC
5. Updated RPS Security – First Point Power, LLC
6. Licensing Security – First Point Power, LLC
7. **REDACTED Exempt Contract Information for Annual RPS Compliance for 2025 - First Point Power, LLC**
8. **REDACTED Exempt Customer Contract Example**

FPP has also submitted all applicable contracts confidentially via file sharing site.

The original version of our Updated RPS Security has also been sent via certified mail.

Per the Office of Education, Outreach, and Enforcement's ("EOE") comments dated October 2, 2025, regarding the Class III Exemption, FPP has designated certain load from calendar year 2025 as exempt. Because the supporting Excel workbook contains confidential customer information, it has been filed under a motion for a protective order in this docket. The workbook was submitted electronically by email to Jeff.Gaudiosi@ct.gov.
