RE: **Docket No. 26-06-01** - Annual Review of CT Electric Suppliers' and Electric Distribution Companies' Compliance with Connecticut's Renewable Energy Portfolio Standards in the Year 2025

In accordance with the July 15, 2026, Notice of Proceeding in the above-referenced docket, ENGIE Resources LLC ("ENGIE Resources") submits its RPS filing for the 2025 compliance year, consisting of the following materials:

1) Exhibit A (Annual CT RPS Filing);
2) Exhibit B (Class I & II renewable energy certificates (RECs) by Generator Location;
3) Exhibit C (Class I, II & III Fuel Sources);
4) Exhibit D (Voluntary Green Offerings);
5) Supporting NEPOOL GIS documentation (copies of "My Settled Certificates" Reports) showing RECs used (settled) for CT RPS compliance;
6) Class III Exception Letter; and
7) Public version of Class III Load Exemption Spreadsheet, together with example of customer contract templates.

Through confidential file sharing, ENGIE Resources is providing Mr. Gaudiosi with the customer contracts for which it claims an exemption, together with the corresponding exemption data. The materials include unredacted copies labeled "Confidential – Not for Public Disclosure" and corresponding redacted copies. With respect to these confidential materials, ENGIE Resources is submitting, under separate cover, its Motion for Protective Order, supporting affidavit, and proposed Protective Order.

To satisfy the RPS security requirements under Conn. Agencies Regs. § 16-245a-1, ENGIE Resources is separately filing its security affidavit in the above-referenced docket. Rider No. 9368532 provides $21,094,000 in coverage for the company's RPS obligations and licensing security. The original instrument remains active and continuous and is on file with CT PURA.

If you have any questions with respect to this filing or require additional information, please contact Stuart Eng, Director of Portfolio Management via email at stuart.eng@engie.com or Justin Rasekhi, Portfolio Management Analyst II, via email at justin.rasekhi@engie.com.
