Re: Docket No. 26-06-01: Annual Review of Connecticut's Electric Suppliers' and Electric Distribution Companies' Compliance with Connecticut's Renewable Energy Portfolio Standards in the Year 2025

Dear Mr. Gaudiosi:

Enclosed please find Constellation NewEnergy, Inc.'s ("Constellation") 2025 Renewable Portfolio Standard ("RPS") Compliance Report, including Exhibits A through D, supporting NEPOOL GIS documentation, Constellation's RPS Affidavit, copies of Constellation's RPS and license securities, and the third-party assurance statement and disclosure label supporting Constellation's Voluntary Renewable Option load.

Constellation is also submitting the information required by the Authority's July 15, 2026 Notice of Proceeding for retail electric supply contracts subject to the Class III Exception under General Statutes § 16-243q(a)(4), including the Exhibit A reporting the applicable exception load and an unlocked Excel spreadsheet detailing Constellation's Relevant Contracts and associated calendar year 2025 load. As described in Constellation's Motion for Relief filed October 13, 2026 in this docket, and consistent with the Authority's December 1, 2025 ruling on Motion No. 18 in Docket No. 25-06-01, Constellation is providing a sample of 50 Relevant Contracts confidentially via file sharing site, together with an explanation of how those contracts were selected. Constellation includes two redacted example contracts with this filing for convenience. Constellation will provide additional Relevant Contracts if requested by the Authority or its Office of Education, Outreach, and Enforcement ("EOE").

Consistent with the condition the Authority imposed in Docket No. 25-06-01, Constellation provides the following explanation of how it selected the sample of Relevant Contracts:

> Constellation is providing 50 Relevant Contracts as a sample size, selected from across its Relevant Contracts list. Constellation ensured that these contracts include multiple sizes of customer volumes, and particularly included commercial and industrial contracts in an attempt to capture most of the higher-exempt volume. EOE does not object to the sampling method used by Constellation.

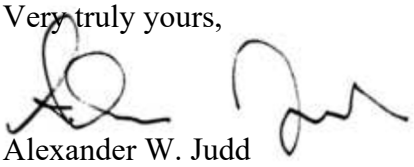

BECAUSE THIS FILING CONTAINS CERTAIN CUSTOMER INFORMATION THAT CONSTELLATION CONSIDERS CONFIDENTIAL, CONSTELLATION SUBMITS THE CLASS III EXCEPTION SPREADSHEET AND THE CORRESPONDING CUSTOMER CONTRACTS ("CONFIDENTIAL INFORMATION") SUBJECT TO THE AUTHORITY'S GRANT OF THE ATTACHED MOTION FOR PROTECTIVE ORDER, WHICH WOULD LIMIT DISCLOSURE OF THE CONFIDENTIAL INFORMATION TO THE AUTHORITY, EOE, AND THE RESPECTIVE STAFFS OF EACH.

Confidential Information shall be marked as such and delivered by email marked "CONFIDENTIAL MATERIAL – NOT FOR PUBLIC DISCLOSURE" to the Executive Secretary of the Authority. A public version of the Class III Exception spreadsheet, with customer names and account numbers redacted, is included with this filing.

I certify that a copy hereof has been sent to all participants of record as reflected on the Authority's service list as of this date. A copy has also been filed with the Authority as an electronic web filing and is complete.

Please do not hesitate to contact me if you have any questions or require additional information. Thank you.

Very truly yours,

Alexander W. Judd
