Re: Docket No. 26-06-03 – GB II New Haven LLC Application to Establish 2026 Revenue Requirements

Dear Attorney Coates:

On July 16, 2026, the Public Utilities Regulatory Authority (PURA or Authority) issued Interrogatories No. RRU-1 through RRU-20 to GB II New Haven, LLC (GB II or Company) due no later than July 30, 2026. On August 31, 2026, one month after the due date, the Company submitted incomplete Interrogatory responses as responses to RRU-10 through RRU-13 were not provided.[1] Further, on September 2, 2026, the Office of Consumer Counsel (OCC) issued Interrogatories OCC-24 through OCC-33 and the Authority issued Interrogatory No. RRU-21 to GB II due no later than September 16, 2026. Despite curtesy reminders from the PURA case coordinator to the Company regarding the ongoing outstanding discovery responses, the record presently reflects that GB II failed to provide responses to Interrogatories No. OCC-24 through OCC-33, RRU-21, and RRU-10 through RRU-13 (Outstanding Discovery).

Although the Company responded to several discovery requests, its responses were all untimely, and at no time did the company file a motion seeking an extension of time to respond.[2] Additionally, there are pending Interrogatories (No. RRU-22 through RRU-28) to which the Company must respond by no later than September 24, 2026 (Current Discovery).

[1] In response to RRU-10 through RRU-13, the Company states "[t]he Company continues to work on a response and will file a supplement as soon as available."

[2] RRU-1 through RRU-20 – due July 30, 2026, incomplete responses filed August 26, 2026; OCC-1 through OCC-23 - due July 22, 2026, responses filed August 26, 2026; RSR-1 through RSR-9 – due August 19, 2026, responses filed August 25, 2026; and RWA-1 through RWA-8 – due September 8, 2026, responses filed September 17, 2026.

The Authority finds that the resolution of this discovery matter is necessary to ensure the orderly development of the record and the timely conduct of this proceeding as an evidentiary hearing is scheduled to commence on October 5, 2026.

Accordingly, the Authority orders the following:

1. The Company shall provide **complete** responses to all Outstanding Discovery and Current Discovery, no later than **September 24, 2026, at 4:00 p.m**.

Failure to comply with this Order may result in further procedural orders relating to the Company's failure to comply with the conduct of the proceeding and development of the evidentiary record, sanctions, civil penalties and/or other enforcement measures as the Authority may determine to be appropriate and authorized by applicable law.

Thomas H. Wiehl
