VEROGY HOLDINGS, LLC MOTION FOR PARTICIPANT STATUS

I. Introduction and Background

Verogy Holdings, LLC ("Verogy") was founded in Hartford, Connecticut and continues to operate out of its headquarters in West Hartford, Connecticut, where it develops, constructs, owns, and operates solar and solar plus storage projects for clients across Connecticut, and across the country. Verogy has a depth of knowledge of the current Non-Residential Energy Solutions ("NRES") and Shared Clean Energy Facility ("SCEF") programs in the State of Connecticut and can provide valuable insight in development of their successor programs.

On June 05, 2026, the Public Utilities Regulatory Authority ("PURA") opened the above-mentioned docket to develop a successor program(s) to the existing NRES and SCEF programs.

Verogy wishes to participate and contribute to this developing topic.

II. Conclusion

For all the reasons articulated herein, Verogy respectfully requests designation by PURA as a participant in the docket set forth above. Correspondence and other communications regarding this docket may be served on the following via electronic delivery:

Verogy Holdings, LLC
