Re: **Docket No. 26-06-09: Application for Cellco Partnership d/b/a Verizon Wireless for Approval of Construction of Small Cell Wireless Facilities in the Public Rights-of-Way – NHV EROCK 310 CT**

Expiration of Objection Period

Dear Mr. Gaudiosi:

On June 16, 2026, Cellco Partnership d/b/a Verizon Wireless ("Cellco") filed an application for approval of construction of a small cell wireless facility in the public right-of-way ("Application") with the Public Utilities Regulatory Authority ("Authority"). The Application noted that Cellco had received an objection from the owner of 362 Whitney Avenue #2, Claudia Groisman, in response to the notification provided to immediate adjoining owners regarding the proposed NHV EROCK 310 CT facility.

On June 23, 2026, the Authority provided notice to Ms. Groisman, informing her that, if she intended to formally object to the Application, a written summary of her objection must be filed with the Authority by July 23, 2026. The notice stated, "If the Authority does not receive a written objection within 30 days of the date of this letter, the Authority will conclude that your objection is withdrawn, and the Authority will review the application and render a decision."

The deadline for Ms. Groisman to respond to the Authority's notice has now expired. To Cellco's knowledge, no further correspondence from Ms. Groisman has been received. Therefore, Cellco respectfully requests that the Authority deem Ms. Groisman's objection to be withdrawn and render a decision in the above-referenced docket.
