This Agreement ("Agreement"), effective as of the date signed by both the authorized person of the Spark Family of Companies and the Broker ("Effective Date"). This Agreement is among the Spark Energy Family of Companies ("Spark") and the Broker, with the Spark servicing entity as the entity licensed to serve in the jurisdiction serving a Broker Customer. Each Spark entity is named on the execution page of this Agreement and all the entities will be collectively referred to as the "Spark Family of Companies", Spark or the "Company"), located at 12140 Wickchester Lane, Suite 100, Houston, Texas 77079. Broker, Cloudshadow Energy LLC, is a sales broker, located at 66 Flagler Street, Suite 900, PMB 12628, Miami, F("Broker"). Company and Broker are hereinafter individually referred to as a "Party" and collectively, as the "Parties".[1]

1. Complete Agreement. The Agreement and its Schedules, any addenda, executed amendments, attachments or exhibits are collectively referred to as the "Agreement." The Agreement contains the entire understanding of the parties and supersedes all prior understandings, whether oral or written, concerning the same subject matter. This Agreement may not be amended or modified in any manner except by a written document signed by both Parties that expressly amends this Agreement.

2. Definitions. For the purposes of this Agreement, the terms set forth below shall have the meanings ascribed to them in the following definitions:

"**Broker Customer**" means any customer lawfully solicited by the Broker who has executed or authorized a written agreement which properly, legally appoints Broker as the customer's sole or exclusive representative with respect to the procurement of a natural gas or electricity supply, and who has not subsequently revoked the appointment of the Broker in writing, and who subsequently enters into and executes an approved form of contract with Company in accordance with and during the Term of this Agreement.

"**Company Customer**" means any customer of Company (excluding any Broker Customer) who has executed a contract with or has been solicited by Company or any of Company's other Brokers.

For the avoidance of doubt, reference herein to Broker, if used for sales in the State of New York, Broker shall have the same meaning as Broker or Consultant as defined in Public Service Law Section §§66-t.

3. Territory. Broker is authorized to present Company products and services in any territory in the U.S. and for any commodity that the Company sells in a region serviced by a utility, where the Company is licensed to do business in that certain utility region ("Territory").

4. Fees. Payment for Broker's services ("Fees") will be paid to Broker on a monthly basis within thirty (30) days after receipt of Broker Customer's full payment to Company for products and services rendered by Company to Broker Customer, so long as the total monthly payment to Broker, including all gas and electricity fees, is at least two hundred dollars ($200.00) in the aggregate. Monthly Fee payments owed to Broker totaling less than two hundred dollars ($200.00) will be rolled over into the

next monthly payment cycle and will be paid to Broker once the total Fee is at least two hundred dollars ($200.00).

(a) For the procurement of natural gas or electricity purchases by commercial and industrial customers from Company, Company agrees to pay Broker Fees in accordance with the last dated Deal Confirmation or other written communication as approved by both Parties, for each commercial and/or industrial customer served by Company who (i) is actively solicited by the Broker to enroll with Company for retail natural gas and electricity supply, and (ii) who subsequently enters into and executes a contract with Company as contemplated in this Agreement and during the Term of this Agreement.

(b) Once any of Broker's prospects execute a contract as a Broker Customer and Broker has actively participated with extending, renewing or otherwise having such prospect remain a customer of Company, Company will continue paying Fees to Broker for as long as this Agreement remains in force and effect, *except that* Fees will not be earned in the following situations:

(i) Broker shall make best commercial efforts pursuant to the section labeled "Duties of the Broker" below to renew a Broker Customer on a fixed rate prior to initial fixed rate expiration. (ii) Once an initial term expires and a Broker Customer receives a variable rate/holdover rate, Broker will receive no further Fees for such Broker Customer as long as Broker Customer remains on variable rate. If Broker submits a new contract for such Broker Customer that is accepted by Company, then Broker shall receive Fees in accordance with the most current dated Deal Confirmation or other written communication as approved by both Parties.

(iii) If a Broker Customer terminates the commercial/industrial customer contract with Company, Company will have no further liability for Fees due to the Broker for such contract.

(iv) Broker's right to dispute any Fee payments will be deemed waived unless written notice of such dispute is made within twelve (12) months after the date of Broker Customer's payment from Company to Broker.

(c) If allowances, adjustments, penalties, fees or refunds are due with respect to amounts paid to Broker, Company, at its sole option, may deduct from future amounts payable to Broker the adjusted, allowed or refunded amount. This provision specifically includes, but is not limited to, the right of Company to recover any payment made to Broker under this Agreement or any other Agreement between the Parties due to allowances, adjustments, penalties or refunds made with respect to natural gas or electricity on which Fees have been paid to Broker or failure to comply with any applicable laws or regulations ("Claw Back Right"). Broker further acknowledges and agrees that Company's Claw Back Right is in addition to, and not in lieu of, Company's right to indemnification by Broker and Broker expressly does not waive its indemnity obligations to Company for any penalty fees/charge backs charged herein.

(d) As long as Broker has obtained and provided to Company written authorization from a Broker Customer specifically authorizing Company to release said Broker Customer's information contained in Company generated monthly statements, Company will furnish Broker with such monthly
