Hi TJ,

Since PURA has no decision-making power over what they choose to park in the parking lot/on the street, I'd suggest you/Eversource arrange this directly with the venue(s).

Thanks,

Hi Taren – One request to PURA. We would like to have the attached picture, in the parking lot during the hearing. On the trailer as the picture shows. The piece of equipment is called a viper.

We figured it would be nice to have something set up for people to view, ask questions, and interact with. We would have two employees who are well versed with the equipment standing with it throughout the hearing.

Let me know if you have any other questions,

TJ Magnoli
