News For You

Beginning Jan. 1, if you've chosen Eversource as your energy supplier, the Standard Service supply rate will increase compared to December. The supply rate is increasing due to our region's reliance on natural gas to generate electricity and the higher demand for it during the winter months. The supply rate is adjusted two times a year in January and July. How much you pay will depend on how much energy you use and weather conditions. To learn about the programs we offer to help manage your energy use and help you pay your bill this winter, visit Eversource.com/winter-bill.
