Interrogatories EOE-12 through EOE-14 are directed to M&L Service Providers LLC. (M&L or Company):

EOE-12. Refer to Response to EOE-1. EOE-1 requested that the Company identify if it currently has any customers in Connecticut and, if so, to indicate which suppliers serve those customers, in what capacity M&L served those customers, by what method M&L contacted/enrolled those customers, and if those customers are commercial or residential. The Company provided various documents but failed to provide an actual response to EOE-1. Please respond to this request.

EOE-13. Refer to Section A-12a and Response to EOE-4. The Company's response to EOE-4 attempted to provide a rationalization for the lack of a comparative balance sheet in lieu of providing the required document. Please provide the required comparative balance sheet for the Company's two most recent year-ends. The balance sheet is not required to be audited.

EOE-14. Refer to responses to EOE-10 and EOE-11. Will the Company continue to "act as a broker, not as an aggregator," and "not aggregate customers" if it receives a Connecticut Aggregator Certificate?
