Re: Docket No. 20-07-01, *PURA Implementation of Section 3 of Public Act 19-35, Renewable Energy Tariffs and Procurement Plans*, and Docket No. 26-08-02, *Annual Residential Renewable Energy Solutions Program Review - Year 6* - Order No. 5 Compliance

Dear Mr. Gaudiosi,

Pursuant Order No. 5 of the Public Utilities Regulatory Authority's ("PURA") Decision issued on December 17, 2025, in Docket No. 25-08-02, The Connecticut Light and Power Company dba Eversource Energy ("Eversource" or the "Company") hereby provides this compliance filing.

Specifically, Order No. 5 states:

> Reference Interim Decision, Feb. 10, 2021, Docket No. 20-07-01, Order No. 21, p. 47: No later than August 1, 2022, each EDC shall publicly disclose the costs of setting up and maintaining the REC metering equipment, as well as the customer acquisition costs, on their respective Residential Tariff websites. Each EDC shall update the required information at least annually. No later than August 1, 2022, and annually thereafter, each EDC shall submit in the above-captioned proceeding and in the appropriate annual review docket (e.g., changes to be enacted in 2024 should be filed in Docket No. 23-08-02) the required REC metering cost information.

Eversource has included installed meter cost data in Attachment 1 to this filing. The cost of meter equipment, installation and site work are substantially unchanged from the prior year.

In the event of any questions regarding this filing, please do not hesitate to contact the undersigned counsel.

Respectfully submitted,

The Connecticut Light and Power Company
d/b/a Eversource Energy
