CT Solar Tariff Meter Costs

Voltage / Meter Type	Main Service	Meter Form	Total Eversource Cost	Rounded Fee Collected During Application	Meter Equipment Cost	Installation and Site Work	Overhead
120/240V Single Phase	Under 400A	Form 2S Bridge	**$182.33**	**$183.00**	$106.75	$48.98	$26.60
120/208V Single Phase (Network)	Under 400A	Form 12S Bridge	**$233.97**	**$234.00**	$157.50	$48.98	$27.49

Meter installation and site work includes preparation time (administrative upfront effort for proper meter fit, engineers writing specifications, testing and troubleshooting meter and meter communication protocols, and sample testing the orders of all meter models to ensure accuracy with the manufacturer), pre-installation site review, preparing program materials, compliance, and quality control requirements, site work, travel time, and multiple access attempts.

Overhead Costs

Meter Cost Overhead	Installation and Site Work Overhead			
Administrative & Supervision (AS&E) Rate (1.0%)	**Administrative & Supervision (AS&E) Rate (1.0%)**	**Non-Productive (ZNP) Rate (15.55%)**	**Payroll Benefit (ZPB) Rate (17.62%)**	**Vehicle Allocation (ZVE) Rate (11.5%)**
$1.87	$1.19	$7.19	$11.79	$4.57
$2.76	$1.19	$7.19	$11.79	$4.57
