ANNUAL SHARED CLEAN ENERGY FACILITY PROGRAM REVIEW – YEAR 8	**:**	**DOCKET NO. 26-08-04**
	:	**AUGUST 31, 2026**

JOINT MOTION FOR REVIEW AND APPROVAL OF ORDER NO. 13

The Connecticut Light and Power Company d/b/a Eversource Energy ("Eversource") and The United Illuminating Company ("UI", together with Eversource, the "Companies" or "EDCs") respectfully request that the Public Utilities Regulatory Authority ("PURA" or "Authority") review and approve the Companies' compliance with Order No. 13 of the Authority's December 17, 2025, Decision ("Decision") issued in Docket No. 25-08-04. Order No. 13 specifically states:

> *Reference Docket No. 21-08-04 Final Decision, November 17, 2021, Order No. 2, p. 19: No later than September 1, 2022, and annually thereafter as applicable, the EDCs shall jointly file the current SCEF Program Requirements and all RFP documents in the applicable Annual Review proceeding (i.e., Docket No. 22-08-04, 23-08-04, etc.), and proposing modifications, as necessary and appropriate, that will allow the SCEF Program to better meet the Program Objectives.*

The EDCs have made minor edits to the Year 7 SCEF Program Manual and RFP documents as demonstrated by the redlined attachments hereto as Attachments 1 through 9. Many of these edits are administrative in nature.

The Connecticut Department of Energy and Environmental Protection ("DEEP") has informed the EDCs that it will file a modified Appendix B to the SCEF Program Manual separately in this docket, and therefore, the EDCs have excluded Appendix B from the Attachment 1 of this filing. Upon PURA's Approval of Appendix B, as submitted by DEEP, and the SCEF Program Manual included as Attachment 1, the EDCs will incorporate Appendix B into the final version of the SCEF Program Manual.

In accordance with Order No. 13 issued in this proceeding, the EDCs hereby submit the following documents, attached hereto. All proposed modifications to these RFP documents have been presented in redline format. The Companies acknowledge that further modifications may be required as a result of this docketed proceeding.

Attachment 1 – SCEF Year 8 Program Manual – Redlined

Attachment 2 – SCEF Year 8 RFP Program – Redlined

Attachment 3 – SCEF Year 8 Subscriber Organization Tariff Terms Agreement Cover Sheet – Redlined

Attachment 4 – SCEF Year 8 Subscriber Organization Terms and Conditions - Redlined

Attachment 5 – Eversource SCEF Year 8 Subscriber Organization Rider – Redlined

Attachment 6 – UI SCEF Year 8 Subscriber Organization Rider – Redlined

Attachment 7 – SCEF Year 8 Bid Certification Form – Redlined

Attachment 8 – SCEF Year 8 Customer Enrollment Appendices – Redlined

Attachment 9 – SCEF Year 8 Subscriber Terms and Conditions – Redlined

These documents have been prepared in good faith and in accordance with the compliance requirements of Order No. 13 of the Decision. The Companies appreciate the Authority's review and approval of the same.

Respectfully submitted,

THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY
