**GenConn Energy LLC** **Witness: Devang Patel**

**Docket No. 26-06-02** 

**Date Submitted: September 16, 2026**

**RRU-021 Q:**

(FERC) Application, Testimony of Patel, Hurwitz, and Shatraw, pp. 55-56. Other than the FERC Order mentioned, are there any other FERC Orders or Rulemakings that may affect this or future AFRR filings? If so, provide the reference number and describe and quantify the effect on this or future AFRR filings.

**RRU-021 A**:

Yes. RRU-021 Attachment 1 provides the FERC Order in Docket No. ER26-925-000 accepting tariff revisions associated with the Capacity Auction Reforms – Prompt Deactivation (CAR-PD) proposal described in the Company's response to Interrogatory RWA-003. Please refer to the Company's response to Interrogatory RWA-003 for additional details.

The Company is not aware of any other orders or rulemaking at this time that would affect GenConn's current and future filings.
