GENCONN ENERGY LLC APPLICATION TO ESTABLISH 2027 REVENUE REQUIREMENTS	:	**DOCKET NO. 26-06-02**
	:	**October 19, 2026**

AFFIDAVIT OF DEVANG N. PATEL

DEVANG N. PATEL, being duly sworn, states:

1. I am the Senior Vice President of GenConn Energy LLC ("GenConn" or the "Company"). My business address is 180 Marsh Hill Road, Orange, Connecticut 06477. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-06-02, GenConn Energy LLC Application to Establish 2027 Revenue Requirements. As outlined below, certain information provided by the Company on this date in response to Late Filed Exhibits ("LFE") requests issued at the October 5, 2026 Evidentiary Hearing contain confidential, proprietary and/or competitive information related to confidential vendor pricing information and vendor quotes, which are highly sensitive and commercially valuable and which the Company does not disclose publicly, specifically: LFE-012 Attachment 1 CONFIDENTIAL and LFE-013 Attachment 1 CONFIDENTIAL.

3. I submit this affidavit in support of a Motion for Protective Order by the Company, filed contemporaneously herewith, requesting a ruling from PURA that LFE-012 Attachment 1 CONFIDENTIAL and LFE-013 Attachment 1 CONFIDENTIAL are subject to confidential treatment under the terms of the Protective Order submitted to PURA on June 30, 2026.

Vendor Pricing and Bid Responses

4. LFE-012 Attachment 1 CONFIDENTIAL provides a historical quote and pricing proposal provided by GE for the MTTB units included in Capital Project 5, which contains competitive vendor pricing information. LFE-013 Attachment 1 CONFIDENTIAL provides copies of purchase orders for generator testing, including unit cost information for work performed by the Company's vendors. Collectively, this pricing information constitutes proprietary, commercially sensitive and strategic non-public third-party vendor data, which the Company does not disclose publicly because doing so would cause substantial harm to the Company and its vendors. The information was provided to the Company by its vendors with an expectation of privacy and must be protected from public disclosure in order to ensure that the Company is able to obtain competitive market-based pricing for these services. Public disclosure of the information contained in LFE-012 Attachment 1 CONFIDENTIAL and LFE-013 Attachment 1 CONFIDENTIAL would harm the Company's vendors by exposing their proprietary financial information to competitors and other potential customers, and would harm the Company in its ability to attract and retain vendors to undertake necessary work at the lowest possible cost.

5. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

6. I have been advised by the Company's legal counsel that neither federal nor Connecticut statutes require this confidential information to be filed in the public record.
