RE:	**APPLICATION OF FUTURE FIBER PARENT, L.P., NETSPEED, LLC AND GO HOLDCO I, LLC FOR APPROVAL OF CHANGE OF CONTROL**	**:** **:** **:** **:**	**DOCKET NO. 26-06-07** **JULY 10, 2026**

THE OFFICE OF CONSUMER COUNSEL'S FIRST SET OF INTERROGATORIES

The Office of Consumer Counsel ("OCC") hereby requests responses from T-Mobile USA, Inc., Oak Hill Capital Management, LLC, Go Holdco I, LLC and NetSpeed LLC., to the following interrogatories in the above-captioned proceeding by **July 24, 2026**. If there are objections to any questions, or if providing responses to certain questions would be unduly burdensome, please contact the undersigned counsel as soon as possible.

I. INSTRUCTIONS

The responses to these interrogatories and production requests must be submitted in the following manner:

A. Documents provided shall be complete and, unless privileged, unredacted, submitted as found in the responding party's files (e.g., documents that in their original condition were stapled, clipped or otherwise fastened together or maintained in separate file folders shall be produced in such form). The responding party may submit photocopies (with color photocopies where necessary to accurately reproduce the document), in lieu of original documents, provided that such copies are true, correct and complete copies of the original documents.

B. Documents submitted shall be produced in the order in which they appear in the responding party's files and shall not be shuffled or otherwise rearranged. Mark each page with identification and consecutive document control numbers.

C. Data must be produced in the data format in which it is typically used and maintained. Moreover, to the extent a responsive document has been electronically scanned (for any purpose), that document must be produced in a readable and accessible electronic format, with the opportunity provided to review the original document.

D. Provide English translations of all responsive documents that exist in a language other than English.

E. Documents to be produced include all documents in the possession, custody or control of the responding party, wherever located, including documents in the possession, custody or

control of the responding party's directors, officers, employees, representatives or agents. Without limitation on the term "control," a document is deemed to be in a responding party's control if it has the right to secure that document or a copy thereof from another person.

CLAIMS OF PRIVILEGE

If you contend that any answer to any interrogatory or any document demanded by these interrogatories is privileged in whole or in part, file with your response to these Interrogatories a statement in writing and under oath and in such statement: (1) identify each such interrogatory answer or document; (2) state its general subject matter; and (3) state in detail the basis for each claim of privilege made with respect to it. If a claim of privilege is made to only a part of a document, then in addition to the statement required herein, produce a public copy of such document from which the alleged privileged portion has been redacted, noting where in the document such redactions have been made.

SCOPE

If subsequent to your initial compliance with these interrogatories and production request you discover additional or new material or information responsive to any interrogatory or request for production, or you discover that any response you provide herein was totally or partially incorrect or, though correction was made, is no longer true, you must promptly (a) file any additional responsive documents that come into your possession, custody or control or (b) file supplemented, corrected, and sworn responses. You are specifically directed to supplement, modify or correct your responses to each of these interrogatories and production throughout until a final decision in adopted by the Authority in this Docket.

II. INTERROGATORIES

Interrogatories OCC 1 through OCC-11 are directed to NetSpeed

OCC-1. Please describe NetSpeed, LLC's ownership and use of wireline facilities attached to utility poles in Connecticut. Does NetSpeed provide service over facilities it owns that are attached to utility poles in Connecticut?

a. Does NetSpeed provide service over facilities it leases from third parties that are attached to utility poles in Connecticut?
b. Please identify the approximate number of miles of NetSpeed owned facilities/wires in Connecticut.
c. Please describe current NetSpeed's plans or goals, if any, to expand its network or services provided in Connecticut.

OCC-2. Please provide a capital expenditure analysis for NetSpeed in Connecticut for the past five-and-a-half years (through June 30, 2026) showing projected capital expenditure budget projections and actual capital expenditure spending.

OCC-3. Please provide capital expenditure projections in Connecticut for 2027, 2028, and 2029, each by year.

a. Please describe where NetSpeed decides to expand operations and/or install wires in Connecticut, and specify the individuals who makes those decisions at present.
b. Please specify who will make expansion and other management decisions if the proposed transaction closes.

OCC-4. Financing Operations. How are NetSpeed's facility expansion and operations financed at present and by which entities?

OCC-5. Please provide a chart, including the date filed and the current status of applications for approval in the jurisdictions listed on page 16 of the Application.

OCC-6. Please describe NetSpeed's current process for customers to report service issues, outages, billing disputes, and other customer service concerns, including available reporting methods and customer service hours.

OCC-7. If the proposed transaction is approved, please describe any anticipated changes to NetSpeed's customer service, outage reporting, billing, customer communications, or other customer-facing operations.

OCC-8. Please identify NetSpeed's primary contact for responding to customer service matters and regulatory inquiries in Connecticut following the proposed transaction, including the individual's name, title, telephone number, and email address, and articulate if this primary contact will remain the same after the closing of the proposed transaction.

OCC-9. Please state whether NetSpeed, LLC will continue to operate under its existing trade name, management team, contractual obligations, and regulatory commitments and requirements following the proposed transaction. If not, please describe each anticipated change.

OCC-10. Please provide a listing of all NetSpeed services currently provided in Connecticut and pricing of these services at present.

OCC-11. Please provide copies of NetSpeed's annual reports to PURA for the past three years.

Interrogatories OCC 12 through OCC 15 are directed to Oak Hill.

OCC-12. Please describe Oak Hill's current role in financing NetSpeed's operational and capital expenditure costs. Also, indicate whether and if so how that role will change if the Transaction is approved.

OCC-13. Please explain in detail the role Oak Hill plays in the current decision-making process for capital expenditures by NetSpeed in Connecticut such as determining the amount of capital expenditures for wireline expansion, what areas where that capital expenditure should be utilized, and how to finance such wireline expansion.

OCC-14. Does Oak Hill provide strategic or operational guidance to NetSpeed management currently? If so, please provide details on the nature or substance of that guidance.

OCC-15. Please describe Oak Hill's roles in NetSpeed if the Transaction is approved and closes.

Interrogatories OCC 16 through OCC 22 are directed to T-Mobile.

OCC-16. Please disclose if you currently own, lease, or use any wireline facilities in CT.

a. If the answer is yes, please also indicate the municipalities where such wireline facilities are located.
b. If the answer is that you lease or otherwise use any wireline facilities in CT, please indicate the entity who owns or controls those facilities you use or lease.

OCC-17. Does T-Mobile currently have facilities on poles or wires in the State of Connecticut and, if so, describe the nature of those facilities?

OCC-18. Will T-Mobile use the current NetSpeed facilities or wires for other services than the existing services offered by NetSpeed? If so, please describe T-Mobile's planned usage of NetSpeed's wires and infrastructure. If there is an agreement or other document governing the use of NetSpeed wires for use by T-Mobile or other entities/users, please provide that agreement or document.

OCC-20. Please explain with specificity the role that T-Mobile will play with respect to Go Holdco I, LLC and NetSpeed LLC. Who from T-Mobile will sit on the Board of Directors of Go Holdco I, LLC.

OCC-21. Reference the post-closing organization chart of TMUS GO JV Holdings, LLC (no page given).

a. Does Deutsche Telekom AG hold 53.8% of the voting shares of T-Mobile US, Inc.?
b. Please explain the ownership interests of the Federal Republic of Germany.

c. How does the ownership interests of Deutsche Telekom AG or the Federal Republic of Germany figure into on operational and financial interests of NetSpeed, assuming the Transaction receives the necessary approvals?
d. Please explain the interest of Kreditanstalt fur Wiederaufbau in T-Mobile US, Inc. As depicted in the organization chart

OCC-22. Reference the June 25, 2026 article from Forbes entitled "SpaceX Could Acquire T-Mobile As It Expands Into Wireless, Analyst Says." https://www.forbes.com/sites/tylerroush/2026/06/25/spacex-could-acquire-t-mobile-as-it-expands-into-wireless-analyst-says/

a. Please explain the relationship between SpaceX and Starlink, the internet provider that transmits service from space through a low earth orbit ("LEO")?
b. Does T-Mobile have any current relationships with Starlink? If so, please describe and indicate whether any such services offered under those relationships are provided to Connecticut consumers.
c. If Space X and T-Mobile enter into a transaction in which Space X or an entity controlled by Space X owns and controls T-Mobile, will T-Mobile continue with the Transaction that is the subject of the Application?

Interrogatories OCC-23 through OCC-30 are directed to T-Mobile USA, Inc., Oak Hill Capital Management, LLC, Go Holdco I, LLC and NetSpeed LLC.

OCC-23. The Application states (pg. 5) that "[s]ervice to those customers will continue to be governed by the relevant contractual terms and applicable tariffs with no change in services or rates as a result of the Transaction." Will the applicants commit to not adjusting charges, fees, or other customer costs to Connecticut customers during the first three years following the closing of the proposed transaction, even if those changes are not a direct result of the proposed transaction. If not, please identify and explain each anticipated increase, including whether it is directly or indirectly related to the proposed transaction.

OCC-24. The Application states that, following the proposed transaction, Go Holdco I, LLC will be "50/50 controlled and co-managed" by T-Mobile USA, Inc. and Oak Hill Capital Management, LLC and Section C on page 4 and Exhibit 4 focus on capital structure including information on voting and non-voting membership interests that make up Go Holdco I, LLC.

a. Please specify the *voting* interests of Future Fiber Parent, L.P., and Greenlight Parent L.P and any other entities with voting interests, decoupled from equity interests.
b. Please describe any governance rights, veto rights, consent rights, or other contractual rights that permit any owner in this transaction to exercise direct or

indirect control of NetSpeed, LLC, disproportionate to its voting or equity interest.

c. Please describe Go Holdco I, LLC's governing body, including the voting thresholds required for ordinary business decisions and major corporate actions.
d. Please describe the procedures for resolving disputes with the governing body.
e. Please articulate parameters for the appointment of the independent director to sit on the governing body, including necessary background and experience for such an expert.
f. Please identify the decisions that will be made by Go Holdco I, LLC's governing body and identify any decisions that will be made outside of the governing body or with consent of other parties, including T-Mobile USA, Inc. and Oak Hill Capital Management, LLC.

OCC-25. Please describe how control of NetSpeed, LLC will be exercised following the proposed transaction.

a. Please identify the entity or entities that will have authority over NetSpeed's strategic planning, capital expenditures, financing, and day-to-day operations.
b. Please identify any decisions affecting NetSpeed that require the approval of Go Holdco I, LLC, T-Mobile USA, Inc., and/or Oak Hill Capital Management, LLC.

OCC-26. Reference the organization charts for Future Fiber Parent, L.P., current on p.3 and post-closing on p. 4. Please provide some general background information on the three (3) equal shareholders named on those organization charts.

a. Do these three equal shareholders own and control the Oak Hill Capital Partners entities listed in those organization charts?
b. Please describe in detail the specific roles these three equal shareholders play in Oak Hill Capital Partners and the entities that they invest in, such as Future Fiber Parent, L.P.

OCC-27. Does T-Mobile USA, Inc. or Oak Hill Capital Management, LLC currently have any investment or ownership stake in any other telecommunications services or broadband internet access service providers that operate in Connecticut. If so, please identify.

OCC-28. Please provide the purchase agreement, merger agreement, or all other agreement(s) among all the participants to the proposed Transaction and change of control described in the Application, including all amendments, schedules, and exhibits.

OCC-29. Please refer to the "Post Closing Ownership Structure of Licensees" pages 1 and 2.

a. Please describe in detail the different functions and roles of the NetSpeed entities (Parent, Holdings, LLC, Management, LLC) and how those roles involve or will

involve financial and operational control of NetSpeed in Connecticut post closing.

b. Please explain the note on page 1 why certain entities "may be dissolved prior to completion of the Transaction.

OCC-30. Please refer to each of the organization charts labelled "Post-Closing Ownership Structure of Licensees" pages 1 and 2;, "Post-Closing Ownership of GO Warehouse, LLC" page 3; "Post-Closing Ownership of Future Fiber Parent, L.P." page 4; "Post-Closing Ownership of Greenlight Parent, L.P." page 5; and Post-Closing Ownership of TMUS GO JV Holdings, LLC" no page number listed. For each of these organization charts, please respond to the following questions separately by organization.

a. Please explain the general ownership position of the entity at the top of each page's organizational chart.

b. Please explain the level of control of the entity at the top of each page's organizational chart.

c. Please explain the control of the Connecticut NetSpeed operations and financing the entities of each page's organizational chart.

Respectfully submitted,
