Re: Docket No. 26-07-01 - Application for a Connecticut Electric Aggregator Certificate of Registration- Cloudshadow Energy, LLC

Dear Ms. Tomaine

On July 6, 2026, Cloudshadow Energy, LLC (Cloud or Company) submitted portions of an Application for Connecticut Electric Aggregator Certificate of Registration to the Public Utilities Regulatory Authority (Authority). The Office of Education, Outreach, and Enforcement (EOE) issued correspondence to the Company stating that the Application was incomplete. On August 4, 2026, EOE issued Interrogatories EOE-1 through EOE-4 to which the Company responded to on August 6, 2026. However, the Company failed to file a complete application and its responses to interrogatories issued by EOE were insufficient to remedy the incomplete application. Specifically, the Company failed to file copies of any contracts between the Applicant and electric suppliers in response to application section B-4 (g) and Interrogatory EOE-3. When a deficiency in an application is called to the attention of the applicant, any deficiency mentioned must be promptly corrected. Conn. Agencies Regs. § 16-1-50. If the deficiency is not corrected the application may be denied or rejected for lack of proper submission. Id.

Therefore, the Company must file executed contracts with electric suppliers by **September 28, 2026** or the Authority will close the present docket without prejudice and the Company can refile only when it has all information required to complete the Application.

Sincerely,
By: /s/ *Alexander Sahi*
