Mr. Jeffrey R. Gaudiosi, Esq.
Executive Secretary
Public Utilities Regulatory Authority
10 Franklin Square
New Britain, CT 06051

Re: Docket No. 26-06-01, Annual Review of Connecticut's Electric Suppliers' and Electric Distribution Companies' Compliance with Connecticut's Renewable Energy Portfolio Standards in the Year 2025 – Compliance

Dear Mr. Gaudiosi:

The United Illuminating Company ("UI" or "Company") hereby submits to the Public Utilities Regulatory Authority ("PURA" or the "Authority") its annual report demonstrating compliance with the 2025 Renewable Energy Portfolio Standard ("RPS") requirements in accordance with Regulations of Connecticut State Agencies ("RCSA") §16-245a-1(a), which states:

> Annual Reporting Requirement. Each electric distribution company and each electric supplier shall submit an annual report demonstrating its compliance with the renewable energy portfolio standard requirements set forth in sections 16-245a and 16-243q of the Connecticut General Statutes. The report shall indicate the percent of total electricity output or services generated from Class I and Class II renewable energy sources and obtained from Class III sources during the previous calendar year. Said report shall include all supporting calculations. The annual compliance report for each calendar year shall be submitted not later than October 15 of the following year.

During 2025, UI had four Standard Service suppliers and one Last Resort Service suppliers. For Standard Service, the suppliers were Constellation Energy Generation, LLC, NextEra Energy Marketing, LLC, DTE Energy Trading Inc., and Macquarie Energy LLC. For Last Resort Service, the supplier was Constellation Energy Generation, LLC.

Constellation Energy Generation, LLC, NextEra Energy Marketing, LLC, DTE Energy Trading Inc., and Macquarie Energy LLC met 100% of their 2025 RPS requirement with 2025 vintage RECs that were settled in UI's Generation Information System ("GIS") account.

Summary of Exhibits and Attachments:

1. Exhibit A - Annual CT RPS Filing (tab "25 EDC RPS Annual Compliance");
2. Exhibit B – Class I and II RECs by Generator Location; Exhibit C – Class I, II and III Fuel Sources; Exhibit D – Voluntary Green Offerings;
3. Exhibit E - Supporting NEPOOL GIS documentation (copies of "My Settled Certificates" Reports) showing RECs used (settled) for Connecticut RPS compliance;

4. Exhibit F - Name, address, email address and phone number of company's contact person for RPS compliance.

If you have any questions regarding this filing, please do not hesitate to contact John Stanley at jstanley@uinet.com or 203-970-9343.

I hereby certify service of this filing upon all parties and intervenors of record in this proceeding.

Sincerely,

James Nitz
