Mr. Jeffrey R. Gaudiosi, Esq.
Executive Secretary
Public Utilities Regulatory Authority
10 Franklin Square
New Britain, CT 06051

Re: Docket No. 26-08-01, 2026 Clean and Renewable Energy Program Data Report,
**Compliance With Docket No. 25-08-01 - 5. Annual Compliance Filings – Additional Filings (Program Materials)**

Dear Mr. Gaudiosi:

Section 5 of the Public Utilities Regulatory Authority's (the "Authority") Decision dated April 22, 2026, in Docket No. 25-08-01, 2023 Clean and Renewable Energy Program Data and Report, states:

*In addition to the submission of the key program data listed above and consistent with the RE09 Decision, the Authority directs the EDCs to annually provide as compliance in the appropriate Docket No. XX-08-01 the following information for each of the five (5) CRE programs (RRES, NRES, SCEF, ESS, EV Charging): (1) the program manual, or similar document, for that year; (2) program timelines; (3) hyperlinks to key program resources; and (4) a list of key changes to the program for that year, citing the relevant PURA Decision, motion ruling, or other relevant documentation. Additionally, the EDCs shall also file (2) through (4), listed above, for the VNM and CEOP/VRO programs and the RPS in Docket No. XX-08-01 annually. A separate compliance filing providing this information shall be submitted on or before November 15th each year. The EDCs may submit documents with the requisite information filed in another docket to meet this compliance obligation.*

*Lastly, the Authority directs the EDCs to file as compliance in Docket No. XX-08-01 an annual update to its interrogatory response to BETP-1 filed in Docket Nos. 19-03- 01, PURA Annual Review of the Rate Adjustment Mechanisms of The Connecticut Light and Power Company, and 19-03-02, PURA Annual Review of the Rate Adjustment Mechanisms of The United Illuminating Company, on July 30, 2019, with additional columns for each year of actual expenses beyond 2019. For any new expenses, the EDCs shall include a category consistent with the categorization method detailed in DEEP's interrogatory BETP-1 in Docket Nos. 19-03-01 and 19-03-02. To meet this compliance obligation, the EDCs may cross-post its annual update to BETP-1 from another docket, namely the annual Rate Adjustment Mechanism proceedings, i.e., Docket Nos. XX-01-03 and XX-01-04.*

Therefore, UI hereby submits the requested information in the captioned docket.

Please see **UI Attachment 1 - Residential Renewable Energy Solutions Program Materials**, for the requested information associated with **DN 26-08-02 – Annual Residential Energy Tariff Program Review and Ratesetting**. This attachment contains links to the RRES Program Manual, Program Timelines; hyperlink to key program resources and a list of key changes to the program for that year, citing relevant PURA Decision, motion ruling, or other relevant information.

Please see **UI Attachment 2 - Non-Residential Renewable Energy Solutions Program Materials**, for the requested information associated with **DN 26-08-03 – Annual Non-Residential Renewable Energy Solutions Program Review**. This attachment contains links to the NRES Tariff Program Rules, NRES Request for Proposal which includes Program Timelines; hyperlink to key program resources and a list of key changes to the program for that year, citing relevant PURA Decision, motion ruling, or other relevant information.

Please see **UI Attachment 3 - Shared Clean Energy Facility Program Materials**, for the requested information associated with **DN 26-08-04 – Annual Review of Statewide Shared Clean Energy Facility Program Requirements**. This attachment contains links to the Shared Clean Energy Facility Program Modified Program Rules, the SCEF Request for Proposal, which includes Program Timelines, a hyperlink to key program resources and a list of key changes to the program for that year, citing relevant PURA Decisions, motion ruling, or other relevant information.

Please see **UI Attachment 4 - Energy Storage Solutions**, for the requested information associated with **DN 26-08-05 – Annual Review of the Electric Storage Program**. This attachment contains links to the Energy Storage Program, Program Timelines; hyperlink to key program resources and a list of key changes to the program for that year, citing relevant PURA Decision, motion ruling, or other relevant information.

Please see **UI Attachment 5**, for the requested information associated with **DN 26-08-06 – Annual Review of the Electric Vehicle Charging Program**. This attachment contains links to the Electric Vehicle Program Manual, Program Timelines; hyperlink to key program resources and a list of key changes to the program for that year, citing relevant PURA Decision, motion ruling, or other relevant information.

Please see **UI Attachment 6**, for the requested information associated with **DN 26-06-01 – Annual Review of Connecticut's Electric Supplier's and Electric Distribution Companies' Compliance with Connecticut's Renewable Energy Portfolio Standards**. This attachment contains UI's RPS Compliance Filing, which was submitted to the Authority.

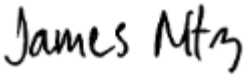
Please see **UI Attachment 7** for the requested annual update to its interrogatory response **to BETP-1 filed in Docket No. 26-01-04, PURA Annual Review of the Rate Adjustment Mechanisms of The United Illuminating Company.** Exhibit Y - Ten Year Cost History (formerly BETP-1). Exhibit Y contains the data request BETP-1 in Docket No. 20-03-02 updated to include actual data for 2023.

Please see **UI Attachment 8 - CEOP-VRO Program Materials**.

The **VNM Program** does not have any current Program Timelines (no new materials) or key program changes and thus will not be included in this filing.

I hereby certify service of this filing upon all parties and interveners of record in this proceeding.

Sincerely,



James Nitz
Manager, Regulatory Services
UIL Holdings Corporation
As Agent for The United Illuminating Company
