MOTION OF THE DEPARTMENT OF ENERGY AND ENVIRONMENTAL PROTECTION'S BUREAU OF ENERGY AND TECHNOLOGY POLICY AND THE OFFICE OF CONSUMER COUNSEL FOR EXTENSION OF TIME

The Department of Energy and Environmental Protection ("DEEP"), Bureau of Energy and Technology Policy ("BETP") and the Office of Consumer Counsel ("OCC") hereby submit this Motion for Extension of Time in the above-referenced docket to the Public Utilities Regulatory Authority (the "Authority" or "PURA"), for an additional two (2) weeks from October 5, 2026, up to and including October 20, 2026, to file its Written Comments in the above-referenced matter.

On October 1, 2026, The Authority issued a notice of Technical Meeting where the Electric Distribution Companies are expected to present the proposals included in their Annual Report, as well as topics included in the Notice of Request for Written Comments issued on September 21, 2026. BETP and OCC believe the presentation and discussions that will take place in the technical meeting are crucial to further inform their responses to the questions issued in the Notice of Request for Written Comments. In addition, BETP and OCC need additional time to consult with staff and counsel to provide sufficient responses to the Authority's requests.

BETP and OCC do not believe that granting this request would impede the efficient progress of this docket nor would it prejudice other docket participants or interested stakeholders.

WHEREFORE, BETP respectfully requests that PURA grant it an extension of (2) weeks, up to and including close of business on October 20, 2026, to file its Written Comments.

Respectfully submitted,

DEPARTMENT OF ENERGY & ENVIRONMENTAL PROTECTION
Bureau of Energy and Technology Policy
