Date Filed: March 31, 2026

Witness: Freeman, Lavelle A
Request from: Public Utilities Regulatory Authority

Question:

Provide the most up to date version of Eversource's Distribution System Planning Guide.

Response:

The **"Distribution System Planning Guide"** filed in **Docket No. 17-12-03RE07** in response to **Request RSR-013, included here as RSR-001, Attachment 1,** remains the most current and effective version of the document on record. Eversource has initiated a comprehensive revision of the Distribution System Planning Guide, and the Company anticipates that the updated version will be finalized and made available **prior to the conclusion of this calendar year, 2026.**
