Date Filed: March 31, 2026

Witness: GLADEY, DAVID L
Request from: Public Utilities Regulatory Authority

Question:

Att. 16, pp. 3-5. Provide a map of the 14R31 Right-of-Way (ROW) and circuit which labels each substation and feeder. Highlight in the map the circuit segments which the company plans to rebuild.

Response:

Please refer to RSR-005, Attachment 1 which contains a map of the labeled 14R31 ROW and circuit with the project segments highlighted.
