Re: Docket No. 26-08-03, *Annual Non-Residential Renewable Energy Solutions Program Review – Year 6,* Compliance with Order No. 12 in Docket No. 25-08-03.

Dear Mr. Gaudiosi:

Pursuant to Order No. 12 of the Public Utilities Regulatory Authority's ("PURA" or the "Authority") December 17, 2025 Final Decision ("Decision") in Docket No. 25-08-03, The Connecticut Light and Power Company dba Eversource Energy ("Eversource") and The United Illuminating Company ("UI" and together, the "EDCs") hereby submit this compliance filing. Order No. 12 states:

> *Reference Decision, Nov. 9, 2022, Docket No. 22-08-03, Order No. 14, p. 40: No later than September 14, 2022, and annually thereafter for the duration of the NRES Program, the EDCs shall file as compliance with the Authority updated an updated netting bid calculator, as described in Section IV.B. of this Decision, using retail rates from the past 12 months. Moreover, since the results of the Year 2 August solicitation will not be available when the calculator is filed, the EDCs shall use the results of the penultimate August solicitation (i.e., for Year 3, the Year 1 August solicitation), in addition to the most recent February solicitation, when determining the Netting bid price caps.*

The EDCs note that, as this is a draft Netting Calculator and the Bid Price Caps have not been approved by the Authority, the Buy-All and Netting Bid Cap tabs have been left empty pending Authority approval of Netting and Buy-All Bid Caps.

This document has been prepared in good faith and in compliance with the requirements of Order No. 12 of the Decision in Docket No. 25-08-03.

In the event of any questions, please do not hesitate to contact the undersigned counsel.

Sincerely,
