Dear Mr. Gaudiosi:

The Connecticut Light and Power Company d/b/a Eversource Energy (the "Company") submits the attached Motion for Protective Order in the above-captioned docket. In the Public Utilities Regulatory Authority's ("PURA's") Ruling on Motion No. 7 in the above-captioned docket, PURA directed the Company to provide samples of redactions it proposed to apply to confidential attachments filed in response to PURA interrogatories (the "Interrogatories") on March 31, 2026. This Motion and the accompanying attachments provide examples of redactions proposed by the Company to address the concerns raised in Motion No. 7. In accordance with Connecticut law and previous PURA rulings, this Motion respectfully requests that PURA grant protection from public disclosure to certain confidential information provided in Attachment 1 to Q-RSR-012 and Attachment 1 to Q-RSR-003 included with this filing, and respectfully requests PURA review the Company's motion and rule on the proposed redactions to be applied consistently to the remaining confidential attachments that respond to the Interrogatories.

The Company appreciates PURA's attention to this motion.

Respectfully submitted,

Eric Eggleston
