RSR-017 A:

Exhibit UI-CIP-6, "Planned Plant Additions Support" and Exhibit UI-CIP-7, "Five-Year Capital Investment Plan Report" were filed with PURA as part of the Application of The United Illuminating Company to Amend its Rate Schedule, UI Corresp., November 12, 2024. Those documents are now included and briefly described herein to the NWS docket. Pursuant to the Ruling on Motion No. 4 in Docket No. 24-10-04, PURA granted the Company's Motion for Protective Order, exempting Exhibit UI-CIP-6 from public disclosure. A redacted copy of the document is provided herein.

Please refer to **Appendix 4- Exh UI-CIP-6 REDACTED- Planned Plant Additions Support (BULK)** which provides specific project details and why each project is required.

Appendix 5- Exh UI-CIP-7 Five-Year Capital Investment Plan Report (11.12.24) is a report in which the Company presents the needs assessments, costs, and benefits of projects and programs across its major capital investment categories for the five-year period from 2024 through 2028. These capital investments include, but are not limited to, grid and network infrastructure, software, fleet, building and facilities upgrades, metering, compliance and safety initiatives, and other supporting technology projects.
