Dear Mr. Gaudiosi:

The Connecticut Light & Power Company d/b/a Eversource Energy ("Eversource"), and The United Illuminating Company ("UI" and together with Eversource "the Electric Distribution Companies" or "EDCs") respectfully submit to the Public Utilities Regulatory Authority ("PURA" or the "Authority") their compliance with Order No. 2 of the Final Decision issued in Docket No. 25-08-05 on December 17, 2025 (the "Final Decision").

Specifically, Order No. 2 of the 2025 Final Decision states:

> *Reference Decision, July 28, 2021, Docket No. 17-12-03RE03, Order No. 12, p. 52: No later than October 1, 2021, the EDCs shall provide a list of all electric storage systems that are eligible for the Program in Docket 21-08-05. This website constitutes the official and continuously updated record of eligible systems in satisfaction of Order No. 2 and is updated as new systems are submitted and verified in accordance with Program processes.

The PAs will also include reference to this in the updated version of the ESS Program Manual to be filed with the Authority on August 1, 2026 in compliance with Order No. 3 in Docket No. 26-

[1] The EDCs, together with the Connecticut Green Bank, serve as the Program Administrators.
