CAE-003

The United Illuminating Company **Witness: Logan Taricani**

Docket No. 26-08-05 **Page 1 of 1**

Date Submitted: July 9, 2026

CAE-003 Q:

Provide a recommendation on whether the actual summer monthly and/or annual peak hour should be flagged on the Dispatch Event Metrics tab of the ESS Program data dashboard.

CAE-003 A:

The United Illuminating Company supports the addition of the actual summer annual peak hour on the Dispatch Event Metrics tab of the ESS Program data dashboard. Providing this information would enhance program transparency and facilitate analysis of performance trends across program years.

Any additional information regarding implementation timelines or data requirements for the ESS Program data dashboard should be provided by the CT Green Bank, which owns, maintains, and updates the dashboard.
