Dear Sir,
I spoke with UI representative yesterday who recommended removing the tree (he stopped by)
I spoke with Tree Warden yesterday and he strongly opposes cutting the tree (he also stopped by)
I am not the arborist but we agreed I will "monitor" the condition of the tree and let him know if I notice any "significant"??? change
The email is to confirm I withdrew our appeal
I hope little trimming tree company has done will be be enough and benefit all parties

sincerely,,

Please email me back to confirm whether you seek to withdraw your appeal. I have spoken with

the Tree Warden already, but the hearing will **remain on the calendar** unless appeal is withdrawn by you.
