Re: Equipment quote for PEGPETIA ETI Grant application, Docket No. 26-10-02

Item	Quantity	Unit Price ($)	Extended Price ($)
Nivra VR headset, educationally safe, locked-down educational operating system, STEM content library preloaded	12	499	5,988
Nivra STEM software and content license, one school year (10 months), per device	12	490	5,880
TOTAL - full configuration			11,868
Nivra VR headset (as above)	6	499	2,994
Nivra STEM software and content license, one school year (10 months), per device	6	490	2,940
TOTAL - scaled-down configuration			5,934

Terms and validity: The unit prices in this quote will be honored for equipment ordered and delivered within the PEGPETIA project window of June 2027 through May 2028, in connection with an award under Docket No. 26-10-02. Either configuration may be ordered; the scaled-down configuration does not change the per-unit pricing.

Prepared for attachment to the applicant's PEGPETIA filing. Printed copies of this quote should be attached to the motion; vendor website links are not submitted as documentation.
