Public Educational and Governmental Programming and Education Technology Investment Account (PEGPETIA) Grant Program Application & Itemized Budget

Instructions for Filing a Motion to Apply for a PEGPETIA Grant

Motion Deadline

The Public Utilities Regulatory Authority (Authority or PURA) oversees a program to award Public Educational and Governmental Programming Grants (PEG Grants) and Education Technology Investment Grants (ETI Grants) to eligible entities. See General Statutes § 16-331cc. **This PEGPETIA Grant Program Application must be filed as a motion in Docket No. 26-10-02 no later than noon on November 20, 2026.**

Program Funding Eligibility

PEG grant funding is intended to improve public, educational, and governmental access programming in Connecticut, and funds should be used for capital and equipment costs that aid the production or procurement of public, educational, and governmental programs. To ensure the funding is used appropriately, after completion of the project, PEG grant recipients must file a report of the project enabled by the grant funds.

ETI grant funding is intended to support education technology initiatives of boards of education and other education entities (public and private schools are eligible to apply). To ensure the funding is used appropriately, after completion of the project, ETI grant recipients must file a report of the project enabled by the grant funds.

Submission of Motion

Applicants must complete and file the Application with Itemized Budget electronically to PURA as a motion in Docket No. 26-10-02, at https://portal.ct.gov/pura/about/filing-and-forms/make-an-electronic-filing. Applicants who have not previously registered must first register for an account.

Motions must include an Application and Itemized Budget for the projects to be funded by the grant. Quotes, invoices, or similar documentation must be submitted for each item to be purchased with grant funds.

The motion will be assigned a unique motion number after it is filed. The allowable electronic filing size is 20 MB. If the motion's attachments (Application with Itemized Budget plus other attachments) exceed the allowable limit, the motion may include only the completed Application with Itemized Budget, and the remaining attachments must be filed as supplemental filings to the same motion. Subsequent supplements must also be filed as supplemental filings under the assigned motion number.

Questions regarding the electronic filing of the motion and supplements should be directed to Docket Control at PURA.ExecutiveSecretary.gov or (860) 827-2836.

Docket No. 26-10-02 North Haven Public Schools

I. Applicant Information

1. Organization Name: North Haven Public Schools
2. Mailing Address: 5 Linsley St, 3rd floor North Haven CT 06473
3. Employer Identification Number: 06-6001646
4. Contact Person for Service List ***(required)*** ☐ ***(check if new/updated)***

   Name: Jenn Kozniewski

   Mailing Address: 5 Linsley St, 3rd floor North Haven CT 06473

   Phone Number: 203-239-2581 ext 1717

   Email Address: Kozniewski.Jenn@northhavenschools.org
5. Additional Contact Person for Service List ***(optional)*** ☐ ***(check if new/updated)***

   Name: _____

   Mailing Address: _____

   Phone Number: _____

   Email Address: _____
6. Authorized Representative ***(required)***

   Note: The authorized representative will not be on the service list unless also listed as a contact person, above.

   Name: Jenn Kozniewski

   Mailing Address: 5 Linsley St, 3rd floor North Haven CT 06473

   Phone Number: 203-239-2581 ext 1717

   Email Address: Kozniewski.Jenn@northhavenschools.org
7. Purpose of Grant (check one):

   ☐ PEG Grant (capital and equipment for producing/procuring programming)

   ☑ ETI Grant (educational technology initiative)
8. Amount Requested: $ $ 96,860.13

   Note: The "Amount Requested" will autocalculate upon completion of the Itemized Budget, below.

II. Applicant Eligibility

9. Organization Type (check one):

PEG (Programming)

☐ Local community antenna television and video advisory council

☐ State-wide video advisory council

☐ Public, educational and governmental programmer

☐ Public, educational and governmental studio operator

ETI (Educational Technology Initiative)

☑ Board of Education

☐ Public library

☐ Other education entity: _____

10. Which of the following describes your organization?

☐ Connecticut State Agency

☑ Municipality

☐ Nonprofit 501(c)(3) organization. Provide Secretary of the State No.: _____

☐ Other (e.g., LLC or corporation). Provide Secretary of the State No.: _____

11. For each of the PEGPETIA Grant cycles below, indicate whether your organization received a grant and submitted all required compliance filings:

Docket No.	Grant Received?	Date of Compliance Filing		
		Order No. 2	Order No. 3	Order No. 4
24-10-02	☑ Yes ☐ No	12/5/2025	N/A	12/5/2025
23-10-02	☑ Yes ☐ No	12/2/2024	N/A	12/2/2024
22-10-02	☑ Yes ☐ No	11/17/2023	N/A	11/29/2024
21-10-13	☑ Yes ☐ No	1/26/2023	N/A	1/26/2023

Note: If you have received a grant in any of the dockets listed above, you must submit any outstanding compliance filings prior to submitting this application.

III. Investment or Initiative Eligibility

12. Provide a description of proposed capital and equipment investment or education technology initiative. State expected enhancements to PEG programming or education technology. If applicable, state why similar equipment is not available from the local community access studio (PEG only).

North Haven Public Schools proposes a targeted capital equipment investment to modernize instructional display and presentation technology across its elementary, middle, and high schools to provide enhancements to education technology and instructional delivery including but not limited to the following methods:

Synthesizing feedback and targeted objectives across grade levels and departments, this equipment investment delivers four core instructional enhancements:

A. Transforming Passive Viewing into Dynamic, Interactive Learning

Interactive flat panels allow young learners to physically engage with core curricula. Students manipulate virtual math manipulatives, annotate texts during shared reading, highlight phonics patterns and decoding strategies, and interact with digital learning platforms at the board rather than observing passively from desks.
In terms of STEM & Multi-Dimensional Modeling, in secondary science and mathematics, displays support dynamic simulations—from running virtual physics labs and graphing complex functions in Desmos to exploring three-dimensional human anatomy models for healthcare career pathways. For specialized subjects such as fine arts and music, the displays enable digital music theory modeling, real-time sight-reading notation, interactive artist study, and collaborative digital portfolios.

B. Untethered Instruction, Proximity Support, and Classroom Agility

The deployment of ViVi wireless technology and screencast enabled Smart TV's enables teachers to freely circulate the room while controlling instructional media, enabling active classroom management, monitoring student progress, and providing immediate one-on-one interventions. Teachers can also guide small-group interventions on teacher laptops while simultaneously projecting visual timers, agenda boards, and independent rotation tasks to the rest of the class, eliminating instructional disruptions.

C. Student Screen Sharing, Collaboration, and Authentic Presentation

The proposed technology bridges individual 1:1 student devices with whole-class learning. Teachers can instantly showcase exemplary student work or address common misconceptions by broadcasting student screens in real time. Students gain confidence delivering multimedia pitches, explaining problem-solving approaches, and participating in peer critiques. In high school business and social studies courses, this mirrors modern professional conference and boardroom environments.

D. Targeted Support for Special Education and Student Services

Teachers will utilize visual scaffolds (sentence frames, graphic organizers, visual timers) and low-stakes digital screen sharing to accommodate diverse learning styles and language needs. Specialized displays in student services conference rooms facilitate interactive social skills curricula (e.g., Everyday Speech), small-group post-secondary and transition planning, and clear multimedia sharing during PPT and 504 team meetings with families.

13. Identify the affected geographical area(s) and/or school system(s) that will benefit from the investment or initiative:

All North Haven Public Schools in North Haven CT

14. State the number of subscribers served or students impacted:

Approximately 3,100 students across 6 schools

15. List the schedule for implementation, including estimated dates for key milestones and completion.

Note: Completed projects are not eligible.

These installations would be completed during the summer months of 2027 when classrooms are empty and available for interactive flat panel or interactive projector tool installs. At times, installer schedules can run behind due to busy summer months and the installs may delay into September of 2027.

16. Identify objective performance measures that can be used to evaluate the success or effectiveness of the investment or initiative:

Teachers will provide reports of increased classroom engagement and educational metrics directly in relation to use of the applications available through the SmartTV or ViVi technology units. Device use hours can be aggregated to support anecdotal evidence.

17. Description of organization, including experience and competence related to the proposed project:

It is the Mission of the North Haven Public Schools in collaboration with students, parents and community to develop responsible, educated and productive global citizens who can thrive in an ever-changing world. North Haven Public Schools has a dedicated internal technology team of 10 individuals with years of experience ranging from 7-30+ years of supporting technology, most exclusively in public schools. We have a sub-team of people who focus heavily on supporting our existing AV infrastructure, however our entire team has extensive hands-on experience supporting these types of devices and assisting teachers with their integration into the classroom.

IV. Budget Information

18. Partner organization(s) or other funding sources (if applicable):

N/A

19. Have you completed the PEGPETIA Itemized Budget form below (with an itemized budget for the investment or initiative)?

☑ Yes.

☐ No. Explain:

20. Have you provided supporting documentation for each item, such as copies of bids, estimates, and quotes?

☑ Yes.

☐ No. Explain:

21. Are the non-equipment costs for design and engineering, installation, training, and warranties/insurance less than 10% of the overall grant request?

Note: Software may be categorized as equipment. Other non-equipment expenses (such as salaries, service agreements, or stipends) are <u>not permitted</u> as part of the grant request.

☐ Yes.

☑ No. Explain: Installation costs are in excess of 10% of the grant due to the heavy nature of the devices being installed and properly anchored into the walls for safety. This involves drilling, mounting, and securing these devices- to be done by a licensed and insured vendor.

V. PEG Grant CAP Acknowledgment

22. **For PEG Grant Applicants Only:** The Applicant understands that it must review and comply with the relevant community access provider operating rules and regulations, including the prohibition of the presentation of any advertising material designed to promote the sale of commercial products or services (including advertising by or on behalf of candidates for public office). The Applicant further acknowledges that no organization or company providing community access operations shall exercise editorial control over programming, except as to programming that is obscene and except as otherwise allowed by applicable state and federal law.

☐ Yes.

☐ No.

VI. Signature of Authorized Representative

I, Jenn Kozniewski, am authorized to sign this application on behalf of the applicant organization. Under the penalty of law, by signing this application, I affirm that the information provided to the Authority is true and correct to the best of my knowledge and that any errors of omissions will be timely corrected and resubmitted.

I understand that grant funding may be denied due to failure to provide the information and supporting documentation required by this Application.

PUBLIC UTILITIES REGULATORY AUTHORITY

PEGPETIA ITEMIZED BUDGET

Instructions

Required Information

You must provide this itemized budget for the capital and equipment investment or education technology initiative proposed in your application. For each expense, you must provide the following information:

(1) Name of expense

(2) Total amount of expense (unit cost x quantity)

(3) Brief description

(4) Quantity requested

(5) Unit price

(6) A copy of a bid, estimate, or similar documentation; and

(7) Type of cost (equipment, design, engineering, installation, training, warranty, insurance, other)

For each expense listed, you must attach a copy of the bid, estimate, or similar documentation.

Note: The Authority cannot accept links to online vendors as documentation of expenses. You may, however, attach saved or printed copies of equipment listed for sale with online vendors as documentation.

Types of Costs

Non-equipment costs (such as design, engineering, installation, training, warranties, or insurance) must be reasonable and should be limited to less than 10% of the overall grant. Other non-equipment expenses (such as salaries, service agreements, or stipends) are not permitted as part of the grant request.

Note: Software may be categorized as equipment.

I. Applicant Information

1. Organization Name: North Haven Public Schools
2. Docket Number: 26-10-02

   ANNUAL ALLOCATION OF THE PUBLIC EDUCATIONAL AND GOVERNMENTAL PROGRAMMING AND EDUCATION TECHNOLOGY INVESTMENT ACCOUNT
3. Docket Name: _____

II. Budget Template

Expense	Amount	Description	Quantity	Unit Price	Bid/ Estimate Attached	Type of Cost
~~(Example) Studio Camera~~	~~$ 1,400.00~~	~~(Example) Make, Model No. XYZ123, Qty 4, Unit Price $350~~	~~4~~	~~$350/each~~	✓	~~Equipment~~
